

Rich Fulcher Quotes

*Thinking, People, Law, School, Ideas, Ghost, Son, Wall, Guy, Writing, Cheer,
Together, Sometimes, Book, Prison, Littles, Men, Hate, Memories, Costumes*

Only he [Gordon Gekko] is a lot smarter than [Donald] Trump.

~Rich Fulcher

I love to hate [Wall Street] it, and I like it. I love the fact that I hate it and like it at the same time. Plus, Gordon Gekko is now [Donald] Trump, isn't he?

~Rich Fulcher

I used to kiss things all the time. I would have to kiss everything, just about everything. The headboard on my bed, the steering wheel in my car. I think it was an OCD thing.

~Rich Fulcher

While in a crowded underground carriage, scream 'It's happening again!

~Rich Fulcher

I used to steal pens at the store. Back in the day when you would write checks, I would write a check and use the pen, and I would keep the pen.

~Rich Fulcher

I have terrible memory and really bad teeth as a result.

~Rich Fulcher

Every joke is either taken by ads or The Simpsons. It's all about being able to get your ideas out into the universe.

~Rich Fulcher

I could survive in a Turkish prison, probably.

~Rich Fulcher

Sometimes I'd go [in British accent] "Uhh, brilliant! Absolutely brilliant, thank you. Wonderful. Cheers!" I do say "cheers" automatically," from

living over there. I say "cheers" to everything.

~Rich Fulcher

I guess the most interesting thing that people think is I'm English [because of The Mighty Boosh].

~Rich Fulcher

We saw The Man From La Mancha, and I remember there was a scene where the woman's skirt fell off, and I got embarrassed and excited at the same time.

~Rich Fulcher

I didn't know there were so many ghosts in [New] York.

~Rich Fulcher

It's sort of like a reminder [click my teeth together] to remember it, but I don't think it works. I have terrible memory and really bad teeth as a result.

~Rich Fulcher

When I just want to be free, I'll wear the Banderas outfit and the mask and touch myself. On the chest. Only on the chest. I just want to feel the silky silks.

~Rich Fulcher

When I was little, I met Ronald Reagan. I think I said something to him.

~Rich Fulcher

I thought you'd be arguing [in the law school], and then I realized you have to read all these cases, and it's mostly writing, and then I just thought, "Well, I might as well stay and get the degree."

~Rich Fulcher

I'm not one of those Star Wars guys that has seen [my favorite movie]

97 times.

~Rich Fulcher

If we're not counting kids' movies - because my kid is constantly watching *The Jungle Book* - I would have to say *Wall Street*.

~Rich Fulcher

I say "cheers" to everything.

~Rich Fulcher

Some people try to say I'm British by the way I'm speaking. But I think I'm more Canadian, because I speak really slow. Midwestern and Canadian.

~Rich Fulcher

I hate liver, but I could imagine eating some with a little bit of ketchup. Like, a lot of ketchup. I could survive in a Turkish prison, probably.

~Rich Fulcher

I click my teeth together every time I want to take a mental picture of something, like, "Wow, what a beautiful sunset!" Slam your teeth together.

~Rich Fulcher

Sometimes I steal costumes.

~Rich Fulcher

I was way into space and planes. I had loads of model planes and rockets.

~Rich Fulcher

The first day I went to law school, I realized I'd made a huge mistake. It was nothing like what I thought.

~Rich Fulcher

You can do law with a law degree. You can't do anything else.

~Rich Fulcher

That's why whenever I have a really good idea, I'm always worried about theft.

~Rich Fulcher

That's why you hear about people coming up with inventions almost at the same time, because someone else is thinking about it.

~Rich Fulcher

When we were touring with The Mighty Boosh, we went on a ghost tour of York. It was all about ghosts, and the tour guide was hilarious.

~Rich Fulcher

People think that I live in England and have a British accent.

~Rich Fulcher

I did pass the bar in Pennsylvania. I can practice Amish law. But it's long expired, my bar license.

~Rich Fulcher

I'm not like Madonna. I haven't changed my lilt in my voice.

~Rich Fulcher
