Female success stories from sporting events like the Olympic Games have played a role in shifting the Indian perception to see the female athlete as a hero and a role model for young Indian girls.

~Richard Attias

Sport is a great equalizer that can build bridges, transcend borders and cultures, and render even the fiercest conflicts temporarily irrelevant.

~Richard Attias

Sport is one of the few spaces where people can learn about different cultures in a spirit of trust and friendship.

~Richard Attias

If women are the key to Africa's future - and I believe they are - we must figure out how to take away the barriers to their participation.

~Richard Attias

When kids are young, before the age of ten, there is a critical window of opportunity when their habits and motivations can be influenced.

~Richard Attias

For African societies, no issue looms larger than employment. Only vibrant entrepreneurship and thriving small businesses can hope to provide the millions of jobs that are needed.

~Richard Attias

Sport is and should remain a great school of life that supports young people in their personal development. It teaches respect for others and also for oneself.

~Richard Attias

Improving Africa's farming sector would have multiple positive outcomes for African people.

~Richard Attias

It is my firm belief that action on the issues that matter for Africa must emerge from within Africa itself.

~Richard Attias

Inspiration, in its rich variety, must be present in any discussion about Africa. We need role models - they are essential to the advancement of our society.

~Richard Attias

Culturally, it is commonplace for African women to work.

~Richard Attias

Sport allows us to engage in dialogue and to build bridges, and it may even have the capacity to reshape international relations. The Olympic Games embody perfectly this universal mission.

~Richard Attias

Africa's agricultural sector has enormous scope for development, which would benefit both the continent's economy and its people.

~Richard Attias

Bringing more large sporting events to Africa would help the continent develop sports policies and at the same time optimize its peoples' chances of achieving competitive success.
