## Quotes

*People, America, Alternatives, Believe, Cutting, Country, Trade, Years, Burden,  
Massachusetts, Let Me, Benefits, Three, Fall, Defense, Running, Paper,  
Danger, Inherited Wealth, Calling*

Inherited wealth, that is not what America is based upon.

~Richard Neal

Many injuries and deaths can be prevented through an understanding of the dangers of power lines, electrical appliances, extension cords, and lightning.

~Richard Neal

Let me say at the outset that I do not reflexively oppose international trade.

~Richard Neal

The alternative minimum tax was designed to prevent the very wealthiest Americans from overusing certain tax benefits to avoid most of their tax burden.

~Richard Neal

Unfortunately, more and more Muslim voices are calling for boycotts of the United States and its products.

~Richard Neal

Over the years, dozens of American companies have filed papers to trade in their U.S. corporate citizenship for citizenship in tax haven countries like Bermuda.

~Richard Neal

We should stop arguing about tax cuts in this town.

~Richard Neal

Fundamentally, I believe that the U.S. can improve its international standing and its national security by expanding trade and strengthening its relationships with moderate Muslim countries.

~Richard Neal

Let me announce this to the American people tonight one of the best things about this debate, as a Democrat from Massachusetts, I have proposed eliminating, getting rid of the alternative minimum tax.

~Richard Neal

We could quite easily, Republicans and Democrats working together, do something that everybody in America desires, and that is a simplification of our Tax Code.

~Richard Neal

The number of electrical injuries cared for in hospitals in the US is estimated at as many as 50,000; the cost of these injuries on the US economy is estimated at over one billion dollars per year.

~Richard Neal

President Bush is manufacturing a crisis by suggesting that Social Security is in imminent danger. It is not.

~Richard Neal

The ABA works tirelessly in its efforts involving the first line of defense: the prevention of burn injuries.

~Richard Neal

The tax relief that this Congress has given now in terms of four tax cuts has overwhelmingly gone to the people at the very top of the income scale in America.

~Richard Neal

Trade can really be good for American workers and American businesses.

~Richard Neal

The slogan of the moderate Republican Party is this: we are rich, and we are not going to take it any more.

~Richard Neal
