I was always getting my way. I was always the guy saying yes or no.

~Richard Patrick

There are are some dirty, greedy people out there, and unfortunately I know some.

~Richard Patrick

We live in a crazy time. Every other week, there's a school shooting. There's always some nutty thing and I've always wanted to kind of understand the crazy.

~Richard Patrick

Hysterically funny, amazingly talented people. That's what I think of when I think of Canada. That, and cold beer. And mountains.

~Richard Patrick

I'm not a perfect song writer, but I am song writing problems with dynamics, instrument change and arrangements.

~Richard Patrick

Everywhere I go I'm always spotted on the streets.

~Richard Patrick

You just have to follow your own heart.

~Richard Patrick

My idols have always stuck to their guns and said what they want to do.

~Richard Patrick

When you turn on the news, they don't say, "Hey, 2 Million kids went to school safely today...40,000 flights took place without incident." They don't say that.

~Richard Patrick

You just have to follow your own heart. I listen to so many different kinds of music and at the end of the day you want to make a record that you're super proud of.

~Richard Patrick

To speak up and stand by my guns the entire time...To stand by my methodology. That's why I kind of made myself the producer.

~Richard Patrick

I've learned enough things the hard way to know we humans can make a difference.

~Richard Patrick

I care about this crazy little planet and I would love to make a difference.

~Richard Patrick

Use minds to solve problems, not lies and bullets.

~Richard Patrick

Stop fighting and learn how to communicate honestly with each other.

~Richard Patrick

I have to stay positive and live for today and tomorrow.

~Richard Patrick

I just want to touch people's ears. I want to touch people's lives. I want to give them something they can release to towards their anger.

~Richard Patrick

The fans have made my dreams come true. For that, I'm super grateful.

~Richard Patrick

My wife and children are the greatest force that keeps me sober and strong.

~Richard Patrick

Love is my family. I would die for them.

~Richard Patrick

For many people out there in the world, music is the only thing that gives them relief, so it's awesome to be a part of that tradition.

~Richard Patrick

You kind of have to have a cynical thing sometimes.

~Richard Patrick

I'm just a proud papa and it's nice to get that validation from my colleagues in the industry. You get up, you pull your pants down and you're like, "Here it is!"

~Richard Patrick

I worked with a lot of different, amazing people, but I was always like, "Dude, I'm sorry, you're going to have to trust me, we've got to do it this way!"

~Richard Patrick

I think 9/11 was a couple of thousand assholes in Afghanistan who ran rampant and just kind of did their thing and we could have gotten them in Tora Bora if that was handled better.

~Richard Patrick

I must always march on in my life. What's done is done.

~Richard Patrick

I call my wife and talk to my children four or five times a day. I've surrounded myself with great people and friends, plus I'm always willing

to make amends.

~Richard Patrick

There's never the same road. It's always, every time it's always a different road.

~Richard Patrick

I buy digital music off of iTunes all the time. I Shazam something in an airport or in a club or something; I Shazam it, I buy it. I am fully digital.

~Richard Patrick

CD's are amazing because you get the artwork, you get to look at the lyrics, you get to look at the behind-the-scenes photos or something.

~Richard Patrick

I appreciate CD's, but I've been digital for 10 years.
