A worker voting for Mitt Romney is like a chicken voting for Colonel Sanders.

~Richard Trumka

The bottom has fallen out of America's wage floor. And the erosion of the minimum wage has lowered pay and working standards for all of us.

~Richard Trumka

Working people really amaze me. When you give them all the facts, they make the right decision every single time.

~Richard Trumka

The ultimate goal of those who blame workers for Wall Street's economic crisis is to unravel the fabric of our common life in pursuit of greed and power.

~Richard Trumka

We can support Barack Obama because he's committed to putting America back to work with good jobs - and he proved it by saving the auto industry.

~Richard Trumka

You see, to me, it doesn't really matter if an elected official has a D or an R behind her name, or his name. I honestly don't give a damn about who belongs to either political party.

~Richard Trumka

Friends, I'm angry about what's happening in politics today! Why is it wrong to ask the wealthiest people and most profitable corporations to pay their fair share?

~Richard Trumka

When the U.S. Supreme Court upheld the Affordable Care Act, Sarah

Palin tweeted, 'Obama lies; freedom dies.' She's referring, I guess, to the freedom to go without health care when you're sick.

~Richard Trumka

And, you know, money is - the money edge is really dangerous to democracy. Because what you have right now - people have said to me that, look, you'll always be outspent, so how can you ever win?

~Richard Trumka

We can support President Barack Obama, because he supports us. We can support Barack Obama, because he shares our values and our vision.
