Tasks, Real, Jobs, Engagement*

Our ability to effectively engage China and the Arab world rests on shared economic and political interests and mutual understanding.

~Rick Larsen

Methamphetamine is a highly dangerous drug that is wreaking havoc on families and communities throughout this country. The drug's use is spreading across the United States.

~Rick Larsen

We need safe communities that are free from methamphetamine and a federal commitment to stand next to state leadership and law enforcement in the fight against this epidemic.

~Rick Larsen

I have heard repeated stories of meth users leaving their children unattended for days as they cook, use and then sleep off the intense effects of methamphetamine.

~Rick Larsen

Children are often the silent victims of drug abuse.

~Rick Larsen

Today's global landscape is increasingly interconnected. China and the Middle East play critical roles towards international peace and security.

~Rick Larsen

As the first Member of Congress from western Washington to serve on the House Agriculture Committee in over 50 years, I am proud to represent the needs of our agriculture community.

~Rick Larsen

And we need to maintain our foothold in the fight against terrorism and terrorist groups and respond to any degradation of Iraqi security or stability.

~Rick Larsen

As a co-chair of the State's 2010 Olympics Task Force, I am working to make sure our border crossings are ready to handle the risks and benefits the Games will bring.

~Rick Larsen

Now more than ever, America needs an agenda for real change.

~Rick Larsen

I strongly support tax relief for the middle class.

~Rick Larsen

My goal is to ensure the Northern Border is safe, secure and allows for the free flow of travel and commerce.

~Rick Larsen

We need a positive economic agenda that invests in the innovation and growth that will create jobs for middle class families and ensure that America remains the world leader.

~Rick Larsen

A half-century after racing the Russians to the moon, the U.S. is barely suiting up in the international race to secure interests in the Arctic.

~Rick Larsen

Congress must take responsibility for a new positive direction - an innovative agenda that will lead to a more secure America. Secure communities, secure economies, and a secure quality of life.

~Rick Larsen

America needs to be secure at home and abroad.

~Rick Larsen
