You always romanticize the past as soon as the future begins to frighten you.

~Rick Remender

There is no authority but yourself.

~Rick Remender

It wasn't until I'd met everyone else's measure of success that I realized I'd failed myself.

~Rick Remender

To get through a war, a man needs something bigger than himself to fight for.

~Rick Remender

One cannot grow beauty in the soil of hate and pain.

~Rick Remender

Chaykin's Shadow is a modern legend at his best.

~Rick Remender

I can take strange detours and linger in places and do things that have no budgetary restraints.

~Rick Remender

I think that people who don't mind reading find the immersion and their ability to get into a deeper place with the story to be satisfying. That's the kind of reader I want.

~Rick Remender

I enjoy nothing more than creating new series and watching them grow in front of me month by month. It's a muscle I spent many years developing and it feels good to be using it again.

~Rick Remender

A lot of the time you just have to follow your creative muse and do what you think is best for the story.

~Rick Remender

Anybody who is afraid of reading a page of text is not the reader that I want.

~Rick Remender

I do my very best to not allow external trends or zeitgeists to feed into what I'm producing.

~Rick Remender

Compromise is such an integral part of being a human being. You're compromising in every decision you make.

~Rick Remender

Any place that manufactures humans into weapons is going to piss off a couple members of X-Force. I always want a personal reason for why these characters take on these missions.

~Rick Remender

The seeds for the Descendants were planted in Uncanny X-Force, but I always conceived them as being bigger than just that book.

~Rick Remender

Dad was supportive, intelligent, read to me as a kid, left me a trillion dollars. It's hard to complain.

~Rick Remender

Kieron Gillen and Jamie McKelvie's *The Wicked + The Divine* is a warp into the middle of a wildly imaginative mythology and I'm itching to read more.
