## Quotes

*Home, Native American, Moving, Years, Fire, Native Language, America, Order,  
Oil, Cutting, Military, Believe, Waste, Country, Jobs, Unique, Energy, Bears,  
Native, Community*

Home ownership is the cornerstone of a strong community.

~Rick Renzi

Arizona faces unique healthcare challenges including uncompensated care for illegal immigrants, and the large number of Native Americans who live in remote and isolated areas of the state.

~Rick Renzi

We need only look to our Navajo Code Talkers during World War II to see the value that Native languages bring not only to their culture, but to the security of all Americans.

~Rick Renzi

If oil companies were to invest their high profits into alternative fuel research it will help America move toward new forms of energy.

~Rick Renzi

I have a high regard for Native languages and the pivotal role they have played in our nation's history

~Rick Renzi

Preparing to fight wild fires is only part of the solution, we must be more pro-active and prevent the fires before they start, or reduce their intensity by removing forest waste and fuel build up.

~Rick Renzi

Requiring military hospitals to perform elective abortions exposes the physicians, the nurses, the military personnel to move against their own personal convictions of life in many cases.

~Rick Renzi

It is common for rural hospitals and nursing homes to operate as a single unit in order to take advantage of savings related to cost-sharing of some services and staff.

~Rick Renzi

I represent more Native Americans than anyone else in Congress.

~Rick Renzi

Last year, I twice voted against the Labor, HHS, and Education Appropriations bill because it did not adequately fund education in general, and Native American programs specifically.

~Rick Renzi
