The power of nature is what all art strives to be. The more we can get in tune with the harmony of the planet, the more our art can benefit from that relationship.

~Rick Rubin

There's a tremendous power in using the least amount of information to get a point across.

~Rick Rubin

For me, the Beatles are proof of the existence of God.

~Rick Rubin

I don't know what makes someone hip. The goal is artist achievement and the best work we can do with no limitation.

~Rick Rubin

It's a big theme in my life, learning about myself and being a better person. I'm a work in progress; I have revelations every day.

~Rick Rubin

People are willing to get short-term gains at the risk of long-term choices.

~Rick Rubin

I like things that are unique and extreme.

~Rick Rubin

I never had the feeling I ever had to make a dime doing anything.

~Rick Rubin

I guess edgy things tend to get my attention.

~Rick Rubin

It's cool that you found somebody that you trust.
