The jobs outlook in the U.S. isn't very good. And it's really about young people.

~Rick Santelli

If you read our Founding Fathers, people like Benjamin Franklin and Jefferson - what we're doing now in this country is making them roll over in their graves.

~Rick Santelli

I try to avoid political ties.

~Rick Santelli

Challenging leaders is as American as it gets.

~Rick Santelli

You need more people to perpetuate a myth because if the people stop the myth is known to all.

~Rick Santelli

Our society, our culture - the greatness of America - goes hand-in-hand with energy, and our leaders need to wake up. We need energy, OK?

~Rick Santelli

In normal times, investors should pay more attention to the credit markets because it's the energy by which everything is driven. It's the oil in the engine.

~Rick Santelli

One thing that served me well with clients was that you back your winners and you back your losers.

~Rick Santelli

I'm pretty darn happy with my day job.

~Rick Santelli

I don't believe anyone should ignore all the fires around you and stand pat and not worry about getting singed.

~Rick Santelli

When you are facing the wilderness on your own, you have a totally different attitude to someone who works in government or who has a monthly cheque.

~Rick Santelli

At the end of the day, the markets are my passion.
