Part of my heritage being Korean, it's going to be interesting going to Korea and answering these questions dealing with North and South Korea.

~Rick Yune

Jaws was still a handsome, big guy. He got the girl. He was my favorite villain. I tried to make this guy endearing somewhat because all he wanted to do was unite his country.

~Rick Yune

It was tough to try to be serious in front of Halle Berry and Pierce Brosnan with all this stuff in my face. There's never been a character that's looked this extreme.

~Rick Yune

When you have a background in combat sports, people think you're this martial arts expert, but really I'm just a guy who is able to do certain things without making a mess of himself.

~Rick Yune

They shaved my head, eyebrows. This is not a sci-fi picture. It's not a fantasy picture. You're dealing with something that's supposed to be in reality. But we had a genius makeup artist.

~Rick Yune

In a lot of ways, the make-up was the character.

~Rick Yune

Since I was a kid I've wanted to be in a Bond movie.

~Rick Yune

To be here today is just beyond my wildest dreams.

~Rick Yune

I was worried about being the nut that ruined 40 years of Bond history.

~Rick Yune

I was thinking about that, about what lines you'd be willing to cross if someone took your loved one or child.

~Rick Yune

I can't understand why anyone would want nuclear warheads. If you shoot them off, it's not like you can take over that country - all you do is kill millions of people.

~Rick Yune

Its a rare thing when a father and son can share the same experience. My father and I have seen all 19 Bond films together, two or three times.

~Rick Yune

History will tell where I stand in the ranks of Bond villains, I have no control over that.

~Rick Yune

Being an American is such a rich environment, because there's so many people from other countries and cultures, and through that you're able to see other people's experiences.

~Rick Yune

I believe our country has to do whatever we can do to protect ourselves-we're king of the hill. We need to protect democracy and the lives of those who live in the free world.

~Rick Yune

That's when it really came together for me that I was in a Bond film, to have my own spy car!
