It is through art that we will prevail and we will endure. It lives on after us and defines us as people.

~Rita Moreno

I believe staying young at heart is all in one's personal attitude... you can't instill that in anyone.

~Rita Moreno

You don't die if someone doesn't like you.

~Rita Moreno

Bigger than life is not difficult for me. I am bigger than life.

~Rita Moreno

I'm an actress, and I am Latina.

~Rita Moreno

People tell me I look good these days. I look good because I feel good. I know people who are older than I am who are twenty-five... It's all about attitude. To me, age is just a number.

~Rita Moreno

Puerto Ricans are many colors - we are Spanish, we're French, we're Thai, Indian, we're almost black, some of us.

~Rita Moreno

I love playing people who don't have a sense of humor for instance, there's nothing funnier to me than a person with no sense of humor.

~Rita Moreno

I'm one of the most joyous people I've ever met.

~Rita Moreno

You can't, or you shouldn't, be nominated for an Oscar unless you've

turned in a performance that's special.

~Rita Moreno

I deliberately state my age because it keeps me honest. I think lying is a bad idea. Sooner or later, someone's going to catch you.

~Rita Moreno

I'm 85, and I'm still a sexual being, or a sensual being.

~Rita Moreno

I'm so happy. I'm one of the happiest people I know. I truly am.

~Rita Moreno

This is my idea of heaven, coming home and watching the news.

~Rita Moreno

I grew up thinking I had very little value. It's not something I felt I could share with my mom so it was all inside me.

~Rita Moreno

I've always been a very sexual person. That doesn't mean I'm going around feeling my breasts and pressing myself against men, but I'm a sexual being.

~Rita Moreno

Retirement is just not in my DNA.

~Rita Moreno

I'm 81 and I'm in the prime of my life.

~Rita Moreno

C'mon, we're actors. We love the attention. We love the applause. We sure don't like to be rejected.

~Rita Moreno

Is there a grandmother that isn't spunky on television? Is there such a creature?

~Rita Moreno

As you get older one tends to develop what I call a wobble. I would rather eat glass than let that happen to my voice.
