Don't ever use duct tape on your privates. That's what I always tell people.

~Rob Huebel

When you're expecting a baby, there's a lot you can plan for, but when it happens early you just have to jump into it. Whatever plans you had, everything goes out the window.

One of the coolest things was that, in 2007, I got to go to Iraq with Rob Riggle, Paul Scheer, and Horatio Sanz. We went over there to do some comedy shows with the U.S.O.

~Rob Huebel

You know the awkward class photo when you're sitting there for your school picture and you're 14 or something and you've got braces, and you don't know how to smile, and you've got a hard-on.

~Rob Huebel

I've stolen a lot. Let me think about the best thing I've stolen. Stolen a

lot of hearts.

~Rob Huebel

I didn't drink at all in school, so when I went to college, I went nuts. I was trying to catch up on all the partying I missed out on.

~Rob Huebel

Most monuments are not something you're going to keep me out of. And I go to a lot of monuments.

~Rob Huebel

I've seen Jaws [movie], like, 800 times. And I love it.

~Rob Huebel

That's a weird way to torture yourself. Just watch a movie, over and over, that you hate. That's really funny - that's probably exactly what hell is like.

~Rob Huebel

People always say, "When did you know you were funny?" They don't mean that in a bad way - this already makes me sound like such a jerk.

~Rob Huebel

I was really good in high school, so in college I was going to be really bad.

~Rob Huebel

If you're going to steal a car, don't steal a mail vehicle. They don't mess around. I mean, have fun, steal all the cars you want, but don't steal a U.S. Mail vehicle.
