Work hard...have fun...be nice...play fair...dream big. We only get one chance at this life. If you're going to play this game, play it to win.

~Robert Herjavec

I like to invest in people that I like to hang with.

~Robert Herjavec

People who succeed in life have a need for something greater than themselves.

~Robert Herjavec

A goal without a deadline is just a dream.

~Robert Herjavec

Business is a sprint until you find an opportunity, then it's the patience of a marathon runner.

~Robert Herjavec

The best way to get past doubt and inexperience is simply action.

~Robert Herjavec

Without the ability to visualize a goal and believe it will be reached, nothing of substance will be achieved. Not by anybody. Not at any time. Not in any place.

~Robert Herjavec

You can't rush the miles. No matter how fast I run, the five miles isn't going to be done in the first five minutes.

~Robert Herjavec

You can never be satisfied as an entrepreneur, and the basis of any successful, growing business is new clients.

~Robert Herjavec

You have to have something bigger than you. You have to have a goal that is greater than you.

~Robert Herjavec

If you're hard on yourself, life will be easy on you.

~Robert Herjavec

Don't start a business. Find a problem, Solve a problem, The business comes second.

~Robert Herjavec

I'm intrigued that the same letters from the alphabet are used in the word silent and in the word listen. Perhaps it's evidence that the most important part of listening involves remaining silent.

~Robert Herjavec

Work-life balance is one of the biggest misconceptions people have.

~Robert Herjavec

When I was a waiter, I wanted to be the best waiter I could be and worked to be better at it every day.

~Robert Herjavec

Being overly sensitive to rejection can become a destructive virus.

~Robert Herjavec

I'm a very nice guy, but don't mistake my kindness for weakness.

~Robert Herjavec

What is great about entrepreneurship is that entrepreneurs create the tangible from the intangible.

~Robert Herjavec

I'm really inspired to build a billion-dollar company. The hardest part is

building the vehicle to get you there.

~Robert Herjavec

I look for the entrepreneur to capture my attention. If you don't come out with a great presentation, you're dead. That's a big red flag.

~Robert Herjavec

I don't look at failure as death, I don't look at failure as finality. I just look at it and pick myself up and say 'we shouldn't have done that' and move on.

~Robert Herjavec

I never dreamed I could build a \$100 million company. I just happened to build a \$1 million company that became a \$5 million company, and so on.

~Robert Herjavec

If you're emotional and you're great at something, the money will follow.

~Robert Herjavec

I was one of those guys who never wanted to start their own business. I never saw myself as a leader. I saw myself as a great No. 2.

~Robert Herjavec

Long before I had money, my passion for cars was there.

~Robert Herjavec

Don't ever be enamored by what something sells for. It's more important what you get to keep in your pocket.

~Robert Herjavec

Some people will lie to you because they mean to. Others will do it to tell you what you want to hear.

~Robert Herjavec

I was raised by my grandmother on a farm, where we were really poor - we had dirt floors - but so did everybody else.

~Robert Herjavec

Older cars tend to drive like older cars. That is not for me.

~Robert Herjavec

Be risky at work. Be safe with your investments.

~Robert Herjavec

I balance my meals. I have never been a big dessert guy.

~Robert Herjavec

People ask, 'Are entrepreneurs born, or are they made?' I think it's a combination of both.

~Robert Herjavec

Just like any business is a living, breathing thing, an entrepreneur has to be able to adapt over time.

~Robert Herjavec

I try to get in one, one-hour spinning class per week.

~Robert Herjavec

I own a Ferrari race team, and we race all over North America.

~Robert Herjavec

I have my mother's hips. The minute I eat it, it ends up on my hips.

~Robert Herjavec

I came from a communist country where there are no luxury cars.
