Secrecy was the problem; transparency the obvious cure.

~Robert J. Sawyer

Learning to ignore things is one of the great paths to inner peace.

~Robert J. Sawyer

Honor does not have to be defended.

~Robert J. Sawyer

You can't choose the ways in which you'll be tested.

~Robert J. Sawyer

There is no indisputable proof for the big bang," said Hollus. "And there is none for evolution. And yet you accept those. Why hold the question of whether there is a creator to a higher standard?

~Robert J. Sawyer

The right things to do are those that keep our violence in abeyance; the wrong things are those that bring it to the fore.

~Robert J. Sawyer

General principles should not be based on exceptional cases.

~Robert J. Sawyer

Naturally, one does not normally discuss plans to commit murder with the intended victim.

~Robert J. Sawyer

Virtual reality is just air guitar writ large.

~Robert J. Sawyer

It is either coincidence piled on top of coincidence," said Hollus, "or it is deliberate design.

~Robert J. Sawyer

Paul Levinson has outdone himself: *The Plot to Save Socrates* is a philosophically rich gem full of big ideas and wonderful time-travel tricks.

~Robert J. Sawyer

A science fiction writer should try to combine the intimately human with the grandly cosmic.

~Robert J. Sawyer

No one disputes that seeming order can come out of the application of simple rules. But who wrote the rules?

~Robert J. Sawyer

Not wanting to die was another universal constant, it seemed.

~Robert J. Sawyer

How do you define God? Like this. A God I could understand, at least potentially, was infinitely more interesting and relevant than one that defied comprehension.
