Im a geek - I read fantasy novels, I play World of Warcraft, Im a massive gamer, I have Star Trek outfits.

~Robert Kazinsky

Im married to my job. Im obsessed with my work, and I run myself into the ground every single day. Unfortunately, a lot of other pursuits have to take a back seat.

~Robert Kazinsky

I've never had a day at work where I wasn't thrilled and grateful to be there, wherever that might be.

~Robert Kazinsky

I was never interested in anything, particularly. I didn't get through school. I was a layabout. So, I started working at a theater to earn some money, as a part-time job.

~Robert Kazinsky

I'm a creature who bores, easily. I could never do one job, for the rest of my life.

~Robert Kazinsky

While there are things with this job that remain constant, in terms of how you shoot, the actual crux of the character is always different and always evolving.

~Robert Kazinsky

I will do anything for Guillermo del Toro, if he asked me. I would give him my first-born child.

~Robert Kazinsky

I would have liked to have worked with Carrie Preston. I think Carrie Preston is one of the most talented actresses I've ever met in my entire life.

~Robert Kazinsky

There's a lot of egos with actors. We certainly don't like to be directed by other actors, or anything like that.

~Robert Kazinsky

I had a really weird moment when I was doing ADR, and I was watching a sex scene that I was in. I had this really detached moment where I realized I was looking at my own behind in third person.

~Robert Kazinsky

Everybody wants to be in the next Marvel movie.

~Robert Kazinsky

Im massively scared of spiders. Even small ones scare the life out of me.

~Robert Kazinsky

Im a massive science fiction and fantasy geek.

~Robert Kazinsky

I honestly dont know whether I can ever top the experience of Pacific Rim.

~Robert Kazinsky

What True Blood does really well is that it balances on the line between good and evil - you blur the distinction between the two.
