The only time is Now. All other times - past, present, and parallel - can be accessed in this moment of Now, and may be changed for the better.

~Robert Moss

When we travel with a sense of mission, we attract events, people and opportunities toward us.

~Robert Moss

You are born to fly, and in dreams you remember the soul has wings.

~Robert Moss

Subatomic particles exist in all possible states until they are observed - at which point something definite emerges from the soup of possibilities.

~Robert Moss

There is a place of imagination, and it is entirely real.

~Robert Moss

In many traditions, crows are messengers and close attention is paid to their actions.

~Robert Moss

When you are gripped by fear in the face of an experience that will take you beyond your comfort zone, you may be at a point of supreme opportunity. You can either break down or break through.

~Robert Moss

If you have fairy blood, even in the tiniest degree, you must live close to Fairy Land, and eat a little fairy food, or else you will always be hungry.

~Robert Moss

The important things usually prove to be very simple. They are also

open secrets in the sense that no one is hiding the knowledge from us except ourselves.

~Robert Moss

The first thing to understand about working with children's dreams is that adults need to listen up.

~Robert Moss

I'm in favor of approaching both the night and the day with intention.

~Robert Moss

Soul recovery, I think, is much richer and more helpful. Instead of having a shaman retrieve our soul for us, we help each other to become the shamans and healers of our own soul.

~Robert Moss

Quantum physics shows us the universe as a dynamic web of connection.

~Robert Moss

I have never met anyone who is addicted to alcohol who isn't drinking for a lot of dead spirits!

~Robert Moss

By lighting a candle, you affirm that you are opening a sacred space.

~Robert Moss

Our earliest poets were shamans. Today, as in the earliest times, true shamans are poets of consciousness who know the power of song and story to teach and to heal.

~Robert Moss

Physics is now saying we might be living in one of an infinite number of parallel universes. We can learn practical and creative things to do with

the information.

~Robert Moss

The stronger the imagination, the less imaginary the results.

~Robert Moss

The body believes in images.

~Robert Moss

We are connected, like it or not, to the ancestors of our biological families, and their templates

~Robert Moss

What I'm talking about is fun. It's every day, it's high energy, and it gives you guidance and healing for your life. It puts a fizz of magic into the air.

~Robert Moss

This relates to the concept of time and our ability as dreamers to reach across time to a past or future self and do some good. This is very important as it relates to soul loss and soul recovery.

~Robert Moss

Choices are our choices so I am not taking away anyone's personal choice, but we run into difficulty when we're having choices made for us rather than making our own.

~Robert Moss

It is difficult to wrap your mind around this intellectually and until you've had the experience, it can be difficult to understand. I tell people to give it a shot; you have nothing to lose.

~Robert Moss

The role of the animal messenger in the dreams of modern

city-dwellers is often to recall us to our wild side, and the natural path of our energy.

~Robert Moss

We can ask for a dream of guidance on any issue that is facing us, and when we're lucky the dream can take us out of the boxes of the everyday mind's approach to that theme.
