

Robert Mueller Quotes

*Agents, Agency, People, Thinking, Numbers, Law, Roles, Mean, Information,
Country, Years, September 11, Police, Differences, Fbi Agents, Terrorist, United
States, America, New York, Opinion*

The collapse of Enron was devastating to tens of thousands of people and shook the public's confidence in corporate America.

~Robert Mueller

There are only two types of companies: those that have been hacked, and those that will be. Even that is merging into one category: those that have been hacked and will be again.

~Robert Mueller

In the future, the cyber threat will equal or even eclipse the terrorist threat.

~Robert Mueller

So without getting into the specifics, I can tell you that to the extent that investigation is a relatively important investigation and meaningful, the president would have been periodically briefed.

~Robert Mueller

Leaking of classified material is a concern.

~Robert Mueller

In the United States, it's the mandate of the FBI to gather information relating to terrorism, go out and collect it, to do the interviews, to do the investigative work.

~Robert Mueller

No one has ever been able to convince me that optimism is not preferable to pessimism.

~Robert Mueller

I asked a Burmese why women, after centuries of following their men, now walk ahead. He said there were many unexploded land mines since the war.

~Robert Mueller

I think around the world, our agents are the best collectors of information you'll find.

~Robert Mueller

They're - FBI agents are some of the finest people you'll find anyplace in the country or the world. And I'm lucky to have the opportunity to work with them.

~Robert Mueller

The FBI's principal priority right now is protecting the United States against another terrorist attack.

~Robert Mueller

But we had - I think if you look at law enforcement 10 years ago, if you look at the challenges, the FBI was focused excessively on what was happening in the United States.

~Robert Mueller

What we bring to the table is not only our 56 field offices in the United States and our number of resident agencies, but also we have 45 legal attaches overseas.

~Robert Mueller

And from the moment that we realized it was a terrorist attack, there isn't an agent or a support person in the FBI that wasn't committed to bringing to justice those who were responsible for this.

~Robert Mueller

There'll be differences of opinion in just about every intelligence analysis that you make.

~Robert Mueller

I would say in just about every investigation we have, there will be differences of opinion, where you have partial facts, as to what those

facts mean.

~Robert Mueller

People talk about the Patriot Act that was passed immediately in the wake of September 11. What the Patriot Act did was break down the walls between the various agencies.

~Robert Mueller

I didn't know the organization, but the one thing you can say about the FBI, it's tremendously professional.

~Robert Mueller

In the last 10 years, in narcotics task forces, in a number of violent crime task forces, we've worked very closely together with state and local law enforcement.

~Robert Mueller

It's because we need to determine who in this country is poised, positioned to commit terrorist acts.

~Robert Mueller

We had to address information technology in the ways we had not before and give the agents the tools that they need to do their job more efficiently and more expeditiously.

~Robert Mueller

So there is a foreign intelligence purpose for every one of our FISA warrants.

~Robert Mueller

But since September 11, we have made every effort to try to work closely with state and local law enforcement.

~Robert Mueller

In planning an attack, persons have various roles.

~Robert Mueller
