They say that somewhere in Africa the elephants have a secret grave where they go to lie down, unburden their wrinkled gray bodies, and soar away, light spirits at the end.

~Robert R. McCammon

Once upon a time, man had a love affair with fire.

~Robert R. McCammon

After years of having a dog, you know him. You know the meaning of his snuffs and grunts and barks. Every twitch of the ears is a question or statement, every wag of the tail is an exclamation.

~Robert R. McCammon

Maybe crazy is what they call anybody who's got magic in them after they're no longer a child.

~Robert R. McCammon

Many times you will fail. That is the nature of the world, and the truth of life. But when you find your horse again, will you go back or will you go forward?

~Robert R. McCammon

I had always wondered what Reverend Lovoy meant when he talked about "grace." I understood it now. It was being able to give up something that it broke your heart to lose, and be happy about it.

~Robert R. McCammon

I don't believe there can be any bad taste in creating a scene, only badwriting in handling it.

~Robert R. McCammon

Even the most worthless thing in the world can be beautiful, it just takes the right touch

~Robert R. McCammon

Yes, there was music after all. The sound of the swamp rose up to him. The sound of frogs and crickets, of birds and 'gators, of life in every puddle and pond and knothole and leaf. *I Travel By Night*
