Condoms aren't completely safe. A friend of mine was wearing one and got hit by a bus.

~Robert Rubin

Some people are more certain of everything than I am of anything.

~Robert Rubin

The only certainty is that there is no certainty.

~Robert Rubin

Rigor is always appropriate when investing in markets, whatever the ultimate conclusions may be.

~Robert Rubin

To be manager of the Yankees under the malevolent dictatorship of George Steinbrenner is like being married to Zsa Zsa Gabor - the union is short and sweet.

~Robert Rubin

I don't have a distaste for ambiguity, in fact, ambiguity is what I think life is all about.

~Robert Rubin

All of us as consumers have gotten spoiled, ... We expect customized goods and services at commodity prices. The only way we can do that is to cut the fat out of our price structure.

~Robert Rubin

I agree with what the Chairman Greenspan said whatever it is that he did say.

~Robert Rubin

We simply cannot afford any further delay in providing the IMF with the resources it requires to help contain the threat of further financial and

political instability around the world.

~Robert Rubin

We do not view 2005 to be a clean operating year, and the positives of beating expectations are offset by guidance moving around.

~Robert Rubin

In terms of myself, I said from the very beginning that I wanted to work in the management of Citigroup and I didn't want to be a CEO, ... That's not what I want to do with myself at the moment.
