

Robert Stack Quotes

*Thinking, Als, Doors, Mind, Police, Growing Up, Space, Jumping, Had Enough,
Real, Cooking, Book, Historical, Children, Fingers, Firsts, Men, Lucky, Reason,
Airplane*

A great chef is an artist that I truly respect.

~Robert Stack

I learned early on, having known the most handsome, successful, Gary Cooper, Clark Gable, Robert Taylor, don't ever spend too much time looking in the mirror.

~Robert Stack

Someone once accused me of being like Eliot Ness. I said no sir, I'm not E.N., but I can promise you that I'm not Al Capone!

~Robert Stack

I never put my arms around John Gotti, Al Capone or Lucky Luciano.

~Robert Stack

That's why I never took this business too seriously, thinking I was something special, when I knew the truly great performers in motion pictures. pictures.

~Robert Stack

Our profession is very much like going to a cocktail party, you check out the guest list.

~Robert Stack

It's not what you are in Hollywood - it's what people think you are.

~Robert Stack

I am very pro law enforcement.

~Robert Stack

I'm working 2 days a week right now, narration usually on Wed., and host on camera on Friday.

~Robert Stack

Lucille was a darling lady. Probably the finest comedienne in the business.

~Robert Stack

I don't mind UFO's and ghost stories, it's just that I tend to give value to the storyteller rather than to the story itself.

~Robert Stack

Yes, and many times it's frustrating, because I'm simply part of the show, and I'm not in the creative end of it, who goes out with detectives and tries to find these things out.

~Robert Stack

I play bad golf for good charities like the LA Police.

~Robert Stack

If you're a star you go through the front door carrying the roses, instead of through the back door carrying the garbage.

~Robert Stack

I grew up years ago doing something that unfortunately doesn't hardly exist any more, a medium called Radio.

~Robert Stack

Get that finger out of your ear! You don't know where that finger's been!

~Robert Stack

These are icons to be treasured.

~Robert Stack

I grew up in France, my first language was French, and I tend to gravitate towards French cooking.

~Robert Stack

I tried to make it as real for them as possible. The thing about being reality is that reality is not always fun. They did a big piece of growing up that day.

~Robert Stack

The dog has behaved himself quite well all day, and the show is doing fantastically well in the ratings... I have no reason to be sad!

~Robert Stack

Perhaps YOU can help solve a mystery.

~Robert Stack

It's all malarky; even the wonderful part is malarky.

~Robert Stack

It's a word called symbiotic, you send the messages and it comes back in return. Together, it's a wonderful thing, it's why television is so great and film can never reach.

~Robert Stack

You have to love the doing of what you're doing and not wait for the phone to ring.

~Robert Stack

Now on the other hand, if someone is selling a product, opening a dance studio, or has some other aim to help themselves, then I tend to look askance at some of these strange stories from outer space.

~Robert Stack

I think voiceover is an adjunct that actors have picked up that have given us some security.

~Robert Stack
