It is usually people in the money business, finance, and international trade that are really rich.

~Robin Leach

In Italy, they add work and life on to food and wine.

~Robin Leach

Travel is very subjective. What one person loves, another loathes.

~Robin Leach

The path that we are headed on economically in America is one that leads to total ruination of the American system.

~Robin Leach

Television has certainly become a wasteland of quality programming.

~Robin Leach

Celebrities are nowhere as rich as some people think they are.

~Robin Leach

Nobody would watch *Lifestyles of the Poor and the Unknown*.

~Robin Leach

Everything in television is dumbing down even further and it won't stop until somebody dies.

~Robin Leach

I'm convinced that if the same opportunities were made available to everybody, people would want to better their lot in life.

~Robin Leach

If we can make America great again and if we can get everybody working and bettering their lot in life, then this becomes the great country that it once was, that it's ceased to be.

~Robin Leach

Never give up if you really want something, keep plugging away at it and your dreams can come true.

~Robin Leach

People are living such miserable lives economically. They want the escape. They want the fantasy. They'd love the dream of being king for a day or queen for a day.

~Robin Leach

I like to see things start, grow, and then move on to better things.

~Robin Leach

You can't reward people who don't want to work with more money than they would make while they were working.

~Robin Leach

The system is wrong where it rewards the lack of interest in work with money, so you don't have to work.

~Robin Leach

It's tragic what America has become because there is a great segment of society that now resents luxury and success and achievement by others.

~Robin Leach

I'm not a politician. I don't pretend to be a politician. I'm an independent.

~Robin Leach

I'm disappointed in television. I'm disappointed first of all in the audience that will not let stories be told in longer form.
