Biofuels are the future of energy in this nation and around the world

~Rod Blagojevich

Ask any woman and she'll tell you: health care for women is more expensive than it is for men. In fact, during their reproductive years, women spend 68% more on health care than men do.

~Rod Blagojevich

A successful economic development strategy must focus on improving the skills of the area's workforce.

~Rod Blagojevich

Our children's health and well-being are dependent on our commitment to promoting food access and good eating habits at home, at school and in the community.

~Rod Blagojevich

One of the greatest challenges in collecting child support is that deadbeat dads move from job to job and state to state. It's hard to keep track of them.

~Rod Blagojevich

I'm blacker than Barack Obama. I shined shoes. I grew up in a five-room apartment. My father had a little laundromat in a black community not far from where we lived. I saw it all growing up.

~Rod Blagojevich

Part of protecting our homeland means being less dependent on foreign countries for our energy.

~Rod Blagojevich

Health care is not a privilege. It's a right. It's a right as fundamental as civil rights. It's a right as fundamental as giving every child a chance to get a public education.

~Rod Blagojevich

I don't believe there's any cloud that hangs over me. I think there's nothing but sunshine hanging over me.

~Rod Blagojevich

Parents don't need government to raise their kids. That's their job. But government can help them protect their children from influences they may not want their kids exposed to

~Rod Blagojevich

Each proposed B-2 stealth bomber costs three times more than it would if every part of the plane were made from solid gold. The cost is \$2.3 billion each.

~Rod Blagojevich

Kids today are technologically sophisticated. In many families, they are far ahead of their parents

~Rod Blagojevich

We will meet our challenges head on and we will do it by rejecting the politics of mediocrity and corruption. You voted for change; I intend to deliver it. ... I will govern as a reformer.

~Rod Blagojevich

If you don't take enough math classes or science classes or writing intensive classes, you're not going to be prepared to compete in college or the workplace -- no matter what your diploma says.

~Rod Blagojevich

We have to be sure [students] understand that racial, national, ethnic, and religious hatred can lead to horrible tragedies.
