Property may be destroyed and money may lose its purchasing power; but, character, health, knowledge and good judgement will always be in demand under all conditions.

~Roger Babson

Let him who would enjoy a good future waste none of his present.

~Roger Babson

It takes a person who is wide awake to make his dream come true.

~Roger Babson

It is wise to keep in mind that neither success nor failure is ever final.

~Roger Babson

More people should learn to tell their dollars where to go instead of asking them where they went.

~Roger Babson

Don't look for society to give you permission to be yourself.

~Roger Babson

If things go wrong, don't go with them.

~Roger Babson

People would rather be shown how valuable you are, not told.

~Roger Babson

The successful man is the one who had the chance and took it.

~Roger Babson

If things are not going well with you, begin your effort at correcting the situation by carefully examining the service you are rendering, and especially the spirit in which you are rendering it.

~Roger Babson

Only religion can prevent democratic rule from developing into mob rule. A nation can prosper only as its citizens are religious, intelligent, capable of service and eager to render it.

~Roger Babson

When we are flat on our backs there is no way to look but up.

~Roger Babson

The finest command of language is often shown by saying nothing.

~Roger Babson

In the last analysis, our national future depends upon our national character that is, whether it is spiritually or materially minded.

~Roger Babson

The election of Hoover...should result in continued prosperity for 1929.

~Roger Babson

There is a world of practical religion in simply being considerate of others.

~Roger Babson

Every great panic we have ever had has been foreshadowed by a general decline in observance of religious principles.

~Roger Babson

The God we worship writes his name upon our faces.

~Roger Babson

Experiment is folly when experience shows the way.

~Roger Babson

There isn't a plant or a business on earth that couldn't stand a few improvements-and be better for them. Someone is going to think of

them. Why not beat the other fellow to it?
