Any time is a good time to start a company.

~Ron Conway

As a founder you have to build a team some day, so why not start the day you found the company?

~Ron Conway

You don't need a business plan. You don't need to have an MBA. All you need is a great idea. Anything is possible and you can accomplish it.

~Ron Conway

Now the tech community is popping up and saying, 'We do need to be involved in our surroundings.'

~Ron Conway

Have a huge work ethic, be ambitious, aggressive, tough.

~Ron Conway

Entrepreneurs, because they need money, they are willing to share their crystal ball with someone like me. That's the best thing ever.

~Ron Conway

By working to ensure we live in a society that prioritizes public safety, education, and innovation, entrepreneurship can thrive and create a better world for all of us to live in.

~Ron Conway

As the tech industry continues to grow and sprout successful startups across the country, it is important that we understand our responsibility to affect positive change in our communities.

~Ron Conway

I never said I enjoy anything about using the Internet. I enjoy helping

the entrepreneurs who are building this thing that I don't necessarily like or use.

~Ron Conway

I think for technology and innovation we have to ignore politics.

~Ron Conway

As an investor I cannot tell that. We cannot predict the success or failure.

~Ron Conway

You have learn to hire a management team, you have to learn how to manage You have to want success so badly that you learn how to manage.

~Ron Conway

The more angels we have in Silicon Valley, the better. We are funding innovation. We are funding the next Facebook, Google, and Twitter.

~Ron Conway

I really don't have a lot of interest in national politics, and it's because I'm a skeptic. I think you can accomplish a lot more locally. I don't want to spin the wheels and not get anything done.

~Ron Conway

The tech community is a closely knit group, which is why it's so powerful. All of these companies have an affinity for each other, even if they compete with each other.

~Ron Conway

By welcoming eager, talented workers, we expand America's potential for growth, and our competitive culture of invention and possibility.
