One of the great things about being a director as a life choice is that it can never be mastered. Every story is its own kind of expedition, with its own set of challenges.

~Ron Howard

Confidence is preparation in action.

~Ron Howard

If I had to choose between a great acting job and a good directing job, I'd choose the directing job.

~Ron Howard

Humor is unavoidable. It might not feel funny in the moment, but more often than not there's a light at the end of the tunnel.

~Ron Howard

Death can be experienced once, winning maybe more, but losing can happen all the time.

~Ron Howard

I've just looked for ideas and great characters that I relate to and that I think I can offer something to the audience, and I no longer look at them as experiments or genre exercises at all.

~Ron Howard

I think the most important thing really was that you could take very personal ideas and present them to an audience in entertaining ways.

~Ron Howard

There's a very real argument that the minute we are capable of going to a planet, whether it's Mars or another one, and inhabiting it, that we really should.

~Ron Howard

I'm not a caterer. I just have to stay with my creative convictions. At some point, you have to just get past the special-interest groups and do what you're there to do, which is make a movie.

~Ron Howard

You're always a little surprised when something really takes off.

~Ron Howard

The sooner we become a multi-planet species, the safer the species is, and the stronger the guarantee that we're going to continue to evolve.

~Ron Howard

I think more and more scientists are becoming convinced that it's very likely that life forms of some kind exist all around the universe not so far from us.

~Ron Howard

I just don't think of myself as an actor much at all, so I don't lust after any particular roles.

~Ron Howard

Every religion, in my opinion, has something to bring, and I think we all learn from everyone that there's no right, perfect way to look at something.

~Ron Howard

You reach a point where you say you're not going to do juveniles any longer.

~Ron Howard

A long time ago, I stopped trying to look at projects as genre exercises.

~Ron Howard

It was always hard to find stories that I felt were, in and of themselves,

fresh enough and intriguing enough .

~Ron Howard

3-D is a truly exciting possibility.
