Look, it's to the point where kids are getting Botox. It's insane. We're not allowed to age

~Rosanna Arquette

It's not fair that there aren't very many juicy or varied roles for women

~Rosanna Arquette

Fortunately, we have a lot of really smart women in the business.

~Rosanna Arquette

It's not fair the emphasis put on beauty, or on sexuality.

~Rosanna Arquette

I love music and musicians. And seeing great artists dropped from labels was really frustrating and sad to me

~Rosanna Arquette

In Hollywood there are a lot of very insecure men running the business.

~Rosanna Arquette

It's so hard to keep everything balanced in life.

~Rosanna Arquette

It's unfortunate that music has become such big business.

~Rosanna Arquette

Art is such an important part of our culture.

~Rosanna Arquette

There will always be some kid who's the new Kurt Cobain writing great lyrics and singing from his soul. The problem is they're not marketing that anymore or putting it out there.

~Rosanna Arquette

Most men are not that evolved.

~Rosanna Arquette

Men want girls. Most men want little girls. They want them in film. They want to look at them. That's all they want. An evolved man is not going to look that way.

~Rosanna Arquette

Music used to change people's minds - and it still changes mine.

~Rosanna Arquette

I have trouble saying hu ... hu ... husband.

~Rosanna Arquette

Most true artists care about music as a pure, passionate art form, but can get caught in the trap of the business. Which, sadly, has now become more important than the artist or even the music itself.

~Rosanna Arquette

It's so hard to be a mother and to also want to practice your art.
