The privatization plan weakens Social Security and threatens our economic security by creating trillions of dollars in new debt.

~Ruben Hinojosa

One of the most important improvements in the No Child Left Behind Act for migrant students was the requirement for electronic transfer of migrant student records.

~Ruben Hinojosa

We need to work together, on a bipartisan basis, to create new jobs, increase job training, enact real and substantive middle class tax relief, and reward companies that create jobs at home.

~Ruben Hinojosa

If we do not get No Child Left Behind right for Limited English Proficient students, the law will be a failure for most schools in the 15th Congressional District, and for many across the nation.

~Ruben Hinojosa

As problems like identity theft become more prevalent, now more than ever, Americans need to take their financial health seriously - and this information is of the utmost importance.

~Ruben Hinojosa

Currently, only 70 percent of our high school students earn diplomas with their peers, and less than one-third of our high school students graduate prepared for success in a four-year college.

~Ruben Hinojosa

Tragically, the White House Task Force on Disadvantaged Youth reported that one-quarter of our young people are at serious risk of not achieving productive adulthood.

~Ruben Hinojosa

We must not allow this generation to produce record numbers for the juvenile justice, runaway and homeless youth, or foster care systems.

~Ruben Hinojosa

Closing the gap for women entrepreneurs should be a priority for the federal government - and yet the Small Business Administration has failed in their promise to women business owners.

~Ruben Hinojosa

While I do commend the Administration on its commitment and focus on high school reform, I believe that we must focus on graduation as the key accountability measure.

~Ruben Hinojosa

We will never stop illegal immigration until this country has a comprehensive, realistic immigration policy.

~Ruben Hinojosa

There has been a growing consensus across the country - from statehouses to the White House and the halls of Congress - that we need to take dramatic steps to improve our secondary schools.

~Ruben Hinojosa

Right now, America's middle class is struggling to meet their basic needs.

~Ruben Hinojosa

Our record number of teenagers must become our record number of high school and college graduates and our record number of teachers, scientists, doctors, lawyers, and skilled professionals.

~Ruben Hinojosa

Today's population of adolescents and young adults is the largest in our nation's history.

~Ruben Hinojosa

It is incumbent upon all of us to build communities with the educational opportunities and support systems in place to help our youth become successful adults.

~Ruben Hinojosa

America cannot turn its back on the economic future and women-owned businesses are part of that future.
