The Coast Guard and Maritime Transportation Act is an important authorization for our country and for our citizens, as we have seen so vividly in the last few weeks.

~Russ Carnahan

Congress has not raised the minimum wage since 1997. The minimum wage is now at its lowest level in 50 years adjusted for inflation.

~Russ Carnahan

Americans are also feeling the effects of soaring energy prices at the gas pump. The double burden of these added expenses will be far too much for many families.

~Russ Carnahan

There is little doubt that Iran is on a mission to rebuild its nuclear weapons and use that capability to wreak havoc and destruction on Israel and others throughout the world.

~Russ Carnahan

The regional security in the Middle East cannot be further compromised by an Iranian loose cannon.

~Russ Carnahan

It is time this Congress listened to the American people and minimum-wage workers, and it is time that we act.

~Russ Carnahan

The American people have every right to be outraged with the administration's approval of the UAE port deal. It is time the people's House make the security of our Nation's ports a priority.

~Russ Carnahan

It is irresponsible for this Congress to not investigate the President's lack of an exit strategy, and the fraud, waste, and abuse of U.S. tax

dollars.

~Russ Carnahan

6.6 million people will benefit from a rise in the minimum wage.

~Russ Carnahan

The U.S. Coast Guard is a shining example of how well a Federal agency can perform with its flexibility, speed, and expertise.

~Russ Carnahan

We know that in 2001 it was believed 78 stem cell lines existed. But now we know there are only 22 that are viable, and they have been contaminated with mouse stem cells.

~Russ Carnahan

Without action, we are going to continue to allow Iran to be a safe harbor for terrorists, see its economy further deteriorate, and see the Middle East further destabilize.

~Russ Carnahan

Does anyone really believe it is possible to make even the most basic ends meet on \$5.15 an hour?

~Russ Carnahan

As winter weather settles in around the country, millions of American families are facing skyrocketing home heating prices with even greater impact if cold temperatures persist into the spring.

~Russ Carnahan

Five years of Republicans' failed energy policies have resulted in Americans paying twice as much at the pump as they did in 2001, while big oil companies make triple the profits.
