Leadership is working with goals and vision management is working with objectives.

~Russel Honore

Leadership means forming a team and working toward common objectives that are tied to time, metrics, and resources.

~Russel Honore

When you form a team, why do you try to form a team? Because teamwork builds trust and trust builds speed.

~Russel Honore

In the military, as in any organization, giving the order might be the easiest part. Execution is the real game.

~Russel Honore

They went into stores to get food to stay alive. Looting isn't the right word. I call it survival.

~Russel Honore

Teamwork builds trust and trust builds speed

~Russel Honore

I cant swing a dead cat without hitting a reporter.

~Russel Honore

You know, we lose more homes every year to flooding than we do any other event in America.

~Russel Honore

You can't vote that water out of the city of New Orleans.

~Russel Honore

The preparations are what they are. We're here. The storm is coming.

We are as best prepared as we can be as the eye of the storm approaches.

~Russel Honore

People need to be cautious because anything built by man can be destroyed by Mother Nature.

~Russel Honore

Hurricane Sandy was one of the most vicious storm systems to hit the New York City area in nearly two centuries.

~Russel Honore

You were born free by accident. You live free by choice. To die free is your responsibility.

~Russel Honore

America needs to get over it. We can't control everything. We can't control the storms.

~Russel Honore

You cannot depend on a sandbag dike to save your life. You put it up to try to save your property.

~Russel Honore

If I'm a leader, I have a mission.

~Russel Honore

I think American industry has lost perspective about their products.

~Russel Honore

Superstorm Sandy inflicted havoc and heartache throughout the Northeast, hitting the Big Apple and its surrounding coastal towns hard.
