"Good guy" or "bad guy", hero or anti hero; doesn't matter to me, what role I play, only the character have something magical.

~Rutger Hauer

I don't know what my appeal is. I can see I've got blue eyes and don't look like the Hunchback of Notre Dame but I can't understand the fuss.

~Rutger Hauer

I've seen things you people wouldn't believe.

~Rutger Hauer

Maybe you'll end up like me, a hobo with a shotgun.

~Rutger Hauer

I've seen attack ships on fire on the shoulder of Orion, I've seen moon beams glisten at the Tengen gate, all those memories, lost like tears in the rain.

~Rutger Hauer

Most of the real bad guys in the world are people like you and me; they're not stupid, and you can't smell their horns.

~Rutger Hauer

By not going to school I learned that the world is a beautiful place and needs to be discovered.

~Rutger Hauer

"Blade Runner" is such a unique film. How do you describe a diamond? I don't think you should ever touch it again.

~Rutger Hauer

I run; I am a coward at heart. I swear, when I smell violence or aggression the coward comes out in me. I have no desire to fight anybody except myself.

~Rutger Hauer

Nobody's seen all my work. No one. No one in the world has seen all my movies. Some things just never came out... some things may still come out.

~Rutger Hauer

I don't want to tell them what to take away from a movie, I think a movie should tell that.

~Rutger Hauer

Whatsoever your hand finds to do, do it gladly. Because there is no work, love, knowledge, or wisdom in the grave.

~Rutger Hauer

Then he releases a dove and dies while sitting in a rain storm

~Rutger Hauer

I don't make the decision about what percentage of good guy or bad guy I play. For some reason, if I put my energy into the bad guy, that scares people. It's magic.

~Rutger Hauer

I hate guns, I think they're the worst thing ever invented.

~Rutger Hauer

I make more movies than I see.

~Rutger Hauer

If you've done what you need to do, you need to go bury yourself, because what else are you going to do? I think that that's where life stops.

~Rutger Hauer
