Only an organized and conscious people can bring about a different kind of society.

~Salvador Allende

Every country has its own reality and its own leaders, and the leaders act in accordance with their reality.

~Salvador Allende

If the U.S. is going to defend itself, why shouldn't we do the same? We only want to be treated equally, nothing more.

~Salvador Allende

First fulfill your academic obligations and then you will have the right to call yourself a leader of the left.

~Salvador Allende

People can progress only by working and producing more.

~Salvador Allende

This is an instrument in the hands of the people for fighting the fascist saboteurs, because the Chilean armed forces are a guarantee of constitutionality and integrity.

~Salvador Allende

People can come and see me, and I have the pleasure of being able to talk to them.

~Salvador Allende

I still believe in what I believed in for 20 years as a Socialist in Parliament, and being a Socialist is not the same as being a utopian.

~Salvador Allende

It's much harder to bring about socialism through legal means, because there are so many possibilities for opposition.

~Salvador Allende

Chile is a country that sells cheap and buys expensive, because we have to pay for manufactured goods from countries at much higher levels of development.

~Salvador Allende

There can be leftist groups that have not matured politically.

~Salvador Allende

I have always said to workers that they have to work hard, to produce more and better. In Chile, we need to achieve an average annual income of US\$2,000, and to do that we need to increase production.

~Salvador Allende

I was a minister in the Frente Popular (Popular Front) government, one of the three in Chile during the Pedro Aguirre Cerda years, and I was as much a Socialist then as I am today.

~Salvador Allende

I have often said that it doesn't matter to me if a student tells me he is a leader of the left, unless he is a good student. We need good students.

~Salvador Allende

I can't spend my whole day talking to people.
