I've always heard people's criticisms twice as loudly as their praise.

~Sam Raimi

R is for wussies if you're talking about blood and guts.

~Sam Raimi

Well it's always been an element of the horror film to show us the gross out. I mean that's one option for all filmmakers making a horror film and it's not something I've found myself above either.

~Sam Raimi

I've always been interested in the camera and the effects of it - that's what drew me to film in the first place.

~Sam Raimi

As I began making my feature films, it was a great adventure. It was about constructing something I saw in my head or I had designed on storyboards and capturing that on film.

~Sam Raimi

I don't like shows, I don't like to put on a show, I just really want to work intimately with my actors.

~Sam Raimi

I've always loved... actually I didn't always love horror films. I started out and I only liked comedies and dramas.

~Sam Raimi

My father told me to dress to reflect the respect you have for the people around you. I've never forgotten that.

~Sam Raimi

I used to get headaches in 3D movies, and I didn't want the movie to give people headaches.

~Sam Raimi

I like a good mono track, it's right up front. I don't need all the surrounds telling me there are birds in the neighbourhood.

~Sam Raimi

Every filmmaker knows that when you make a book into a movie, the first thing you have to do is kill the book, unfortunately. You've got to recreate it.

~Sam Raimi

The domination of one's spirit and mind is not a pretty thing, but I think it happens.

~Sam Raimi

I feel the horror audience is a great audience, and I would ideally make a movie that would give them as much energy as they're willing to give to the picture.

~Sam Raimi

If a remake is not good, no one wants to see it and, again, it doesn't hurt the original.

~Sam Raimi

Nowadays everyone's got the nose rings and the colored hair, so for me to wear the suit and tie is a different way to go.

~Sam Raimi

Money opens up wonderful worlds of possibilities.

~Sam Raimi

I realized what interested me as a student of film was one thing and the movies that I liked were another.

~Sam Raimi

You know, I put my little brother in the movies and he's still in the pictures. My mother makes me put him in the pictures.

~Sam Raimi

I've always worked with a team of actors and filmmakers ever since I was a kid in Michigan making Super-8 movies.

~Sam Raimi

I had a reporter ask me what it was like to have my best years over so soon. It stayed with me.

~Sam Raimi

I love cats. I've had cats as pets.

~Sam Raimi

That's what heroic stories do for us. They show us the way. They remind us of the good we are capable of.

~Sam Raimi

I think movies lost a lot when they went to stereo and five-track sound.

~Sam Raimi

I'm too obsessed that the people who say critical things about me are right, even though I'm getting to do something I love.

~Sam Raimi

I've always made sequels, even when I was making Super 8 movies if the audience liked it.

~Sam Raimi

Any time anyone makes a comic book into a movie, in some way, I think they have to kill the comic book.

~Sam Raimi

Every picture has been a learning opportunity for me.

~Sam Raimi

It's lovely being a producer. It's really a lot of fun and I can learn a lot.

~Sam Raimi

I don't like movies about serial killers, necessarily; it's too real and unpleasant for me.
