I started mountain-bike riding two years ago, which is much better than riding a stationary bike in the gym. Mountain biking is a total body workout.

~Samantha Stosur

I think I will always stay involved in tennis and would like to give back by helping out young players. I have done a little commentary and may one day enjoy doing that again.

~Samantha Stosur

You're the best in the world, so you deserve those little perks along the way if you can get them.

~Samantha Stosur

I think Serena Williams is the best tennis player of this generation, if not the best ever. It is amazing for her to be playing as well as she is at the age of 31.

~Samantha Stosur

I love to get home and hang out with my family. My brothers and I love spending time at the beach. I enjoy doing all kinds of surf sports and keeping healthy.

~Samantha Stosur

In tennis it's easy to get greedy - and one Grand Slam doesn't feel enough any more.
