The Alien is gross, scary. There is something in a human being that looks at them and sees it as a cockroach. You can never feel nurturing towards the cockroach.

~Sanaa Lathan

If you're in love and there's that chemistry, that's what it's all about.

~Sanaa Lathan

I didn't get to see Predator until halfway through shooting. It was great to get an education while I was shooting because it made me excited to be part of this legacy.

~Sanaa Lathan

Sometimes when you don't care, people are attracted to that.

~Sanaa Lathan

You can never be happy when you're constantly comparing yourself to others. Keep your eyes ahead.

~Sanaa Lathan

I've never gotten any complaints about my headscarf from a man. You can be sexy with a head wrap!

~Sanaa Lathan

I look forward to going to work. Everybody is at the top of their game. It was like we just got to play.

~Sanaa Lathan

There's a lot of Kenya that's not like me. I like Birkenstocks, granola, my dog Pops.

~Sanaa Lathan

I did work out every day. I needed it to have the endurance to do what needed to be done and not get hurt. I have such a new respect for action stars now.

~Sanaa Lathan

You would never expect a black woman to be the hero.

~Sanaa Lathan

There is a lot of struggle in being an actor; you need so much emotional strength, no matter what level of stardom you have, that it's nice to have something steady.

~Sanaa Lathan

I got nominated for a Tony, which was a complete surprise. It was an experience that I will always cherish

~Sanaa Lathan

To make a movie is very grueling at times. Long, long hours and cold weather.

~Sanaa Lathan

Kelsey Grammer is one of the best actors I've ever worked with.

~Sanaa Lathan

I've been in a couple with different races like Latino, white, Middle Eastern.

~Sanaa Lathan

Some of us just have to work harder to stay in the game.

~Sanaa Lathan

I wouldn't want anyone to destroy the earth

~Sanaa Lathan

When you have a play, you have to be on every night.

~Sanaa Lathan

People make jokes about how black people are the first ones to be killed off.

~Sanaa Lathan

Good storytelling appeals to me - good writing.

~Sanaa Lathan

Chemistry on film is like chemistry in real life, it's either there or it isn't.

~Sanaa Lathan

I have dated all races and I believe you should be free to do whatever you want.

~Sanaa Lathan

I'll eventually go back to theater because the feeling of being on stage where you have the audience right there, you can't replace that with anything

~Sanaa Lathan

Everybody is different. I can think of three black men I've dated and they couldn't be more different from each other.

~Sanaa Lathan

If someone has already done a role I'm about to do, I won't watch the original until after I'm finished playing the role.

~Sanaa Lathan

My dad is a director/producer and my mom is a dancer; she performed with Alvin Ailey, but I didn't even think about becoming an actress.

~Sanaa Lathan

I come from the theater, and I've done a lot of character work in the theater, but Hollywood stuff in film and TV, they've been more leading lady/ingenue type roles.

~Sanaa Lathan

When you're on a set it can be very tedious and slow. It's just not as big as when you see it on film.

~Sanaa Lathan

I love going to the movies and getting Raisinets, a big tub of popcorn and a Coke. That's definitely a guilty pleasure because I can't be doing that all the time.

~Sanaa Lathan

I think I'm a character actress in a leading lady's body, but the industry doesn't really see me that way.

~Sanaa Lathan

I had never picked up a basketball before. I went through a grueling audition process. It was almost as if I was learning to walk. It would be like teaching somebody to dance ballet for a role.
