What doctor does not need platform heels and dark black eyeliner to treat their patients?

~Sarah Chalke

Human beings are not meant to lose their anonymity and privacy.

~Sarah Chalke

It was really cool going to Sea World. We had an amazing time. They were amazing to us. We got to swim with the dolphins, and it was really special.

~Sarah Chalke

Your home should be your home. People shouldn't be allowed to use whatever crazy lenses they use to catch you waking up in the morning.

~Sarah Chalke

I was 17 and the whole thing was very confusing at the time. It was a great job and I loved it, and to lose the role was definitely tough for me. I was devastated when I lost the role.

~Sarah Chalke

But to be part of helping create a character and be a part of something from the beginning - the excitement of it - it doesn't get any better.

~Sarah Chalke

I've slowly gone back, later on in life, to fish and then chicken and then, last year, red meat.

~Sarah Chalke

We have such a good time working together. It makes such a difference going to work every day for 14 hours and being able to hang out and have a good time.

~Sarah Chalke

I would like to think that I'm more different from my character than I am.

~Sarah Chalke

I don't smoke, I try to eat right, and I love doing yoga and going for hikes with my dog.

~Sarah Chalke

The first time I lived in L.A. I was too young. I really wanted to be back home in Vancouver.

~Sarah Chalke

I am a huge believer in the flu vaccine. I have had it every year and have never had the flu.

~Sarah Chalke

I lived in Vancouver, where they film so many things. So it gave me a good shot at it.

~Sarah Chalke

I'm having the time of my life. I've never looked forward to going to work so much every day. I'm loving it; it's great. It's what I love to do and I wouldn't want to be doing anything else.

~Sarah Chalke

I love acting, and it was really important to me to give it a real shot.

~Sarah Chalke

I don't think when people sign up for a life of doing something they love to do they should have to sign up for a complete loss of privacy. I understand a little loss of privacy coming with the job.
