Mr. President, the only thing that stops a bad guy with a nuke is a good guy with a nuke.

~Sarah Palin

Folks, this government isn't too big to fail, it's too big to succeed.

~Sarah Palin

I always remind people from outside our state that there's plenty of room for all Alaska's animals â€” right next to the mashed potatoes.

~Sarah Palin

Assange is not a 'journalist' any more than the 'editor' of al-Qaeda's new English-language magazine 'Inspire' is a 'journalist.' He is an anti-American operative with blood on his hands.

~Sarah Palin

We need independents, we need the GOP, we need Reagan Democrats.

~Sarah Palin

People have a constitutional right to burn a Koran if they want to, but doing so is insensitive and an unnecessary provocation - much like building a mosque at Ground Zero.

~Sarah Palin

If any vegans came over for dinner, I could whip them up a salad, then explain my philosophy on being a carnivore: If God had not intended for us to eat animals, how come He made them out of meat?

~Sarah Palin

Waterboarding is how we baptize terrorists.

~Sarah Palin

We say keep your change, we'll keep our God, our guns, our

constitution.

~Sarah Palin

America's finest - our men and women in uniform, are a force for good throughout the world, and that is nothing to apologize for.

~Sarah Palin

These global warming studies [are] a bunch of snake oil science.

~Sarah Palin

~Sarah Palin

Lest anyone try to convince you that God should be separated from the state, our founding fathers, they were believers. And George Washington, he saw faith in God as basic to life.

~Sarah Palin

A changing environment will affect Alaska more than any other state, because of our location. I'm not one though who would attribute it to being man-made.

~Sarah Palin

Candidate Obama promised to fundamentally transform America and that's one promise he has kept. Turning a shining city on a hill into a sinking ship.

~Sarah Palin

I'm pro-life. I'll do all I can to see every baby is created with a future and potential. The legislature should do all it can to protect human life.

~Sarah Palin

This is Reagan country. Yeah! And perhaps it was destiny that the man who went to California's Eureka College would become so woven

within and interlinked to the Golden State.

~Sarah Palin

How do you know there's not a door to heaven in the sky between Malaysia and Vietnam?

~Sarah Palin

Bear hunting? Come on up and we'll fix you up, you betcha. Just be sure you bring some hunting buddies with you, preferably fat ones who can't run as fast as you.
