## **Sarnath Banerjee Quotes**

Everything you draw is influenced. It's like yogurt. You need a little bit to start the next batch.

~Sarnath Banerjee

People are interested in relevant stories. In big events. But I'm not interested in big things; I'm interested in the smaller details of life.

~Sarnath Banerjee

The only way one can display learning is by playing with it. Because the truth is that there's something embarrassing about displaying heavy knowledge. You feel sort of annoying.
