I just don't want to end up on something that bores the hell out of me. Otherwise, I'll fake a knee injury and get out of there.

~Sasha Alexander

I believe life takes us where we need to be.

~Sasha Alexander

When I graduated college I needed to make money while I was pursuing acting, so I read screenplays and made a living writing coverage on them for studios.

~Sasha Alexander

I still feel like I have a lot of growing up to do 'til I find the voice. You know, everybody has their own voice and their own thing they want to say to the world.

~Sasha Alexander

I actually wanted to be an exotic dancer, but that didn't work out so I thought I'd take on acting.

~Sasha Alexander

My husband's a director, so he understands what I do.

~Sasha Alexander

I really love the process, with stage, of rehearsal, you get to create a character, and you have a beginning, a middle, and an end of story. And in television, you don't.

~Sasha Alexander

I always say if you've seen good acting on television, those actors are really good. Because there's just not enough time. You don't have any preparation.

~Sasha Alexander

I don't know that you can compare it to another show because each show has its own individuality.

~Sasha Alexander

When you read a script, you get a feeling from it.

~Sasha Alexander

What made me want to be on it was reading a really good script, and being compelled by and attracted to the characters. I really loved Maura Isles, who was very fascinating to me.

~Sasha Alexander

I prefer film and that's what I think I'm gonna put my focus on.

~Sasha Alexander

Planning my food a bit helps me. Knowing what I'm going to be eating for lunch helps, instead of getting hungry and then looking for something.

~Sasha Alexander

Stage work, that's all I have in my background. Wasteland was my first TV experience. Dawson's was my first long-term, I mean the entire season of 22 episodes.

~Sasha Alexander

My parents wanted me to go to law school.

~Sasha Alexander

I get inspired by creativity, when people are together. You know what I mean, there's a certain synergy when people work together.

~Sasha Alexander

I love to go out. I love the outdoors. I love outdoor sports. I'm a big traveler.

~Sasha Alexander

I just saw the movie for the first time in its entirety last night. It's really cool when you're in with an audience that's so tuned in and plugged in to what's going on.

~Sasha Alexander

I just think that we have more opportunity to have a bit more of that banter between each other. And, given that the two women are so different, there's really something to play with.

~Sasha Alexander
