I'm just a big believer in 'you must love yourself before you can love anybody else,' and I think for me that breeds the most inspired relationships.

~Scarlett Johansson

When we live our lives everyday, we're met by opportunities, and most of us don't even recognize them.

~Scarlett Johansson

If you feel glamorous, you definitely look glamorous.

~Scarlett Johansson

There is nothing strange, creepy, or inappropriate about John Travolta .

~Scarlett Johansson

Contrary to popular belief, I'm not promiscuous. There does seem to be a mistaken belief out there that I am sexually available somehow — which is not to say that I'm not open-minded about sex.

~Scarlett Johansson

I still eat a burger at a counter with ketchup dripping down my face.

~Scarlett Johansson

I don't do damsel in distress very well. It's hard for me to play a victim.

~Scarlett Johansson

I'm happiest when I have something to focus my energy on.

~Scarlett Johansson

I'm very comfortable with my sexuality, my body, my face - well, sometimes I'm not comfortable with my face, but it's stuck there and there's nothing I can do about it.

~Scarlett Johansson

I find beauty in unusual things, like hanging your head out the window or sitting on a fire escape.

~Scarlett Johansson

It is important to remind young people that peace is the only victory.

~Scarlett Johansson

You have to believe that you can act and that you're the right person for the job but I think it's good to not always know how you're going to do it. The fun part is trying to figure it out.

~Scarlett Johansson

I'd rather be really good at something or not do it at all.

~Scarlett Johansson

I don't think about being sexy, being seductive. What you don't want to see is somebody trying to be sexy. That's the most unsexy thing.

~Scarlett Johansson

I am very independent. I can look after myself but I still need a lot of love and care.

~Scarlett Johansson

I've never considered myself a femme fatale as I've never seduced anyone and ruined their lives. At least as far as I know.

~Scarlett Johansson

It's important for people to figure out their own lives before involving someone else - to gauge where you are and work on your own issues.

~Scarlett Johansson

I always feel like I have to prove myself as an actor, otherwise you get lazy if you're not slightly terrified that you're going to fail all the time.

~Scarlett Johansson

The truth isn't all things to all people all of the time.

~Scarlett Johansson

One of the best things for a woman to hear is that she is sexy.

~Scarlett Johansson

I can't think of anything I'd rather do less than have to continuously share details of my everyday life.

~Scarlett Johansson

I would love to work on Broadway, but I don't know that it would manifest itself in musical theater.... I have terrible stage fright that I'd have to get over.

~Scarlett Johansson

I have an obsessive character. I manicure my nails at three in the morning because nobody else can do it the right way. Maybe that's the secret to my success.

~Scarlett Johansson

Whenever I'm taking time off, all I'm thinking about is working.

~Scarlett Johansson

You think that your life is going to be one way, and then, for various reasons or whatever, it doesn't work out.

~Scarlett Johansson

Every director is themselves; [they're] not playing a part.

~Scarlett Johansson

I've always been very focused on my career. But, it's good to have people [say], "Okay, you need a vacation." "I do? Oh yeah, you're right. I think I do."

~Scarlett Johansson

I just want to work on things that are really hard, and when I'm not working on things that are really hard, I want to hang out with people I like to be with, and that's it.

~Scarlett Johansson

I hope it never becomes normal to feel scrutinized.

~Scarlett Johansson

These tabloid magazines - I think they're hideous and the downfall of society.

~Scarlett Johansson

I don't profess to know how to balance the positive and the negative media attention. It's a gamble every time you put yourself out there, and, certainly, I'm always readjusting to it.

~Scarlett Johansson

When I'm single, I don't focus. I focus on a guy if he's a boyfriend, but I don't focus on finding a boyfriend. They're never around when you want them.

~Scarlett Johansson

I'm terrified to ride a bike in a city - and I grew up riding bikes in the city. I've just heard enough stories - I have enough friends who've been hit by taxicabs and things.

~Scarlett Johansson

Are people who want this kind of progressive change not turning up at polling stations? Are they not voting for progressive representatives? It's hard to put your finger on why we are where we are.

~Scarlett Johansson

I want to look good, obviously. I don't want to look at the screen and go, Oh, my skin looks terrible, or, I look exhausted. That's why I take care of myself when I work.

~Scarlett Johansson

When I'm not working or promoting something, I try to be as under-the-radar as I can .

~Scarlett Johansson

I don't feel the need to brand myself in that way [social media]. But as a means to share information and raise awareness of things, I think these social-networking platforms are unprecedented.

~Scarlett Johansson

As an actor, anything that you have to help get you into character is helpful.

~Scarlett Johansson

I think it's important for people to be aware of the impact that climate change is having on this huge community of people.

~Scarlett Johansson

I don't plan on selling out. I mean, it's nice to get a dinner reservation ahead of other people, but when it comes down to it, the most important thing to me is the actual work.

~Scarlett Johansson

For day-to-day beauty, I'm a Q-tip and Vaseline kind of girl. I never leave home without Q-tips - they're a great fix for any makeup emergencies.

~Scarlett Johansson

I don't want to be the ingenue anymore. It's nice to be glamorous, but I don't want to always be an object of desire. Because it doesn't last.

~Scarlett Johansson

I don't feel the obligation to be a specific weight. I don't feel like I have to fit into a body that's not my body. I have the body I have and I try to maintain it.

~Scarlett Johansson

I love musicals, I started acting because I wanted to be in a musical.

~Scarlett Johansson

What about my brain? What about my heart? What about my kidneys and my gallbladder?
