I'm a real stubborn person. I'm still humble, not too cocky, but I'm big headed. I know what I wanna do and I know how I wanna do it and I know what needs to be done.

~Schoolboy Q

We're living or dying. We're already dead, the living dead. So do what you gotta do. Take care of your family, of yourself as a whole, and everything will be alright.

~Schoolboy Q

I got a Lucifer soul. I'll be the Devil's son, Devil's work, gettin' work.

~Schoolboy Q

I didn't spend money on nothin'. Besides my daughter, bucket hats, and weed.

~Schoolboy Q

I knew school was stupid since the fifth grade.

~Schoolboy Q

People look at me and keep walking - but you can tell they know who I am. I want them to bug me. Its gonna be a sad day when they dont.

~Schoolboy Q

I smoke weed.It's not an addiction. It's something I wanna do. It's not smart though. It's not good for my body but I'm doing it. I'm not telling people to do it.

~Schoolboy Q

If I was with some other rappers who aren't as polished, or I was the only rapper, I don't think I would be where I'm, nor would I be rapping. They pushed me, we pushed each other on every record.

~Schoolboy Q

Charisma, that's my strong point. My personality was always good, but with music I had to grow into it. I grew into who I am now.

~Schoolboy Q

All these niggas that have good music have longevity.

~Schoolboy Q

People saying that you been robbed is almost better than winning a Grammy.

~Schoolboy Q

I hate the business part of music. Music is just like the streets. There's loyal and disloyal people, people saying one thing and then don't do it.

~Schoolboy Q

I let my music do the talking. Ain't no TV show gonna help me. Ain't no hit single gon help me sell no records.

~Schoolboy Q

I never wanna have a time where I'm on the big lawn just sitting back smoking cigars and drinking lemonade. I wanna work forever. Until I die. I wanna die on the way to a show.

~Schoolboy Q

When you become an artist you're working away from home for so much time. You really see what the use of time means to you once you're an artist and you travel so much.

~Schoolboy Q

I think that's what most of us rappers do too often. We put too much information in some of our albums that could actually be on the next ones.

~Schoolboy Q

I'm not anti single. I'm not one of them niggas that say "Aww record sales ain't everything." No. I wanna sell good. I would love a platinum record on radio and charts.

~Schoolboy Q

I would definitely want a hit record, but I still want the success to be around the album. Only the music can help me.

~Schoolboy Q

I would ditch school if my CD was scratched up or I couldnt get batteries. I wasnt trying to get on the bus and not be listening to music.
