I never did drugs and I can't really drink because I have zero tolerance for alcohol, so my vice became women. I was never faithful to most of them.

~Scott Baio

Family, work, familiarity. Listen, if I had a magic wand and I could make myself really be happy, I'd zap me onto a farm. And I know nothing about farming.

~Scott Baio

I have a job to do, I have a wife and child to take care of. So I don't pay attention to things that I don't know anything about. I've got my own situation to deal with.

~Scott Baio

Life is too short no matter what party you are with.

~Scott Baio

I am not a spiritual guy, but all of a sudden I felt the need to really feel things.

~Scott Baio

Don't ever take a shower with a woman, because you'll probably end up proposing to her.

~Scott Baio

There are two different kinds of actors. There are people who take it just so damn seriously. Then there are guys like me that just get up and love doing it.

~Scott Baio

I'm not a big government guy. I believe in private industries taking care of people. I think they do a better job.

~Scott Baio

I regret losing certain women, but it was always my fault.

~Scott Baio

When I have a girlfriend, I feel caged in, I don't know why.

~Scott Baio

Trump has to do what Reagan did. Trump's gotta go on the air and tell us what his tax plan is and put it in our faces and put them on the spot. That's what I think he should do.

~Scott Baio

Paul Ryan I don't think wants to work. I think Paul Ryan wants the status quo, and I think Paul Ryan is a Never Trumper.

~Scott Baio

If I'm racist, don't think I would have directed shows like 'The Parkers' and 'The Wayans Brothers' or worked 41 episodes with Victoria Rowell on 'Diagnosis: Murder.'

~Scott Baio

My parents were married 53 years, good and bad. Can I do that? Probably not. But I really hope I can.

~Scott Baio

When I was a baby, my mother tells me I never slept because I never wanted to miss anything.

~Scott Baio

If I lived alone, Mom'd never sleep because she wouldn't know I was okay.

~Scott Baio

People can think what they want to think, I don't go after people. I think most people I talk to, like me, are very quiet and keep to themselves,

they maintain their lives.

~Scott Baio

I cannot believe how much I love my kid. It's a beautiful thing.

~Scott Baio

Every day I think, 'Can I commit?' I think I can and that I will

~Scott Baio

I've been very fortunate and I am grateful.

~Scott Baio

Somebody asked me what do you regret. I said, well I was offered the role of Maverick in 'Top Gun' and I turned it down.
