That is the gay agenda...it is the recreation of society on a different moral foundation and the problem with that is that moral foundation will lead to social chaos and destruction.

~Scott Lively

Nobody has been able to stop them [homosexuals] so far, I'm hoping Uganda can.

~Scott Lively

...Dealing with these sexual disorders, you ask 'what is it supposed to look like?' 'what's the norm?' The norm is the heterosexual design of the body

~Scott Lively

To both of them I insist: STOP INCITING HATE BEFORE YOU GET PEOPLE KILLED!!!!

~Scott Lively

We divide those between the person that we love and the movement that we hate.

~Scott Lively

There is no other group of sinners in the world that is organized for the purpose of transforming the society in its own image

~Scott Lively

The real danger of the gay movement is its necessary goal of the elimination of this moral system in order to achieve this [sexual freedom]

~Scott Lively

The marriage-based society...discourages all the competing alternatives to marriage. You can't have a marriage-based society and a social value of sexual freedom. They don't work together

~Scott Lively

There's a whole network of people ready to simply inculcate you and enfold you into their world and they want more and more people in their world because they are in a campaign to change everything

~Scott Lively

The term 'sexual orientation'...is basically a code word for homosexuality.

~Scott Lively

If someone is identifying themselves based on their orientation toward a person of the same gender, then that seems to me to be a self-evident disorder.

~Scott Lively
