The Orange Revolution was a powerful example of democracy around the world. The people of Ukraine are continuing to shape their own future.

~Scott McClellan

I fell far short of living up to the kind of public servant I wanted to be.

~Scott McClellan

I'm glad to share my views.

~Scott McClellan

Despite what some people have said, President Bush did not want black people to die in New Orleans. However, he did hope they would not relocate to any areas of Texas that he likes to frequent.

~Scott McClellan

As press secretary, I spent countless hours defending the administration from the podium in the White House briefing room.

~Scott McClellan

I was raised on the values of speaking up and making a positive difference in a very political family that believed in the importance of public service.

~Scott McClellan

When I was knowingly misled but only learned that much later, that's really when I started to become disillusioned at the White House.

~Scott McClellan

A free and prosperous Iraq will be a major blow to the terrorists and their desire to establish a safe haven in Iraq where they can plan and plot attacks

~Scott McClellan

Waging an unnecessary war is a grave mistake.

~Scott McClellan

Churches are like announcement factories that pump toxic levels of noise pollution into the atmosphere.

~Scott McClellan

I believe in working together to solve the problems we've got. And we need to get rid of the venom in the political atmosphere in D.C. It's a poisonous atmosphere.

~Scott McClellan

My wife and I look for ways to always support the troops, including sending care packages regularly to them.

~Scott McClellan

It's no coincidence that Superman's parents are Joseph and Martha Kent.

~Scott McClellan

There's a difference between loyal opposition that has a different view, and those who are advocating a defeatist approach that sends the wrong message to our troops and the enemy.

~Scott McClellan

Saddam Hussein is being treated the exact opposite of the way his regime treated those he imprisoned and tortured simply for expressing their opinions. And so I reject that.

~Scott McClellan

My criticisms are extremely mild in comparison to the tone of some of the questions fired in my direction.

~Scott McClellan

The Iraq war was not necessary.

~Scott McClellan

In survey after survey, the Iraqi people say, 'We want to choose our leaders.'

~Scott McClellan

Isn't it my right to talk and say what I want to?

~Scott McClellan

I'm someone who believes in centrist governing philosophy.

~Scott McClellan

I'm done with my job. It was my job to be the advocate and spokesman for the President of the United States.

~Scott McClellan

I have had a career in public service.

~Scott McClellan

The permanent campaign is inherently deceptive.

~Scott McClellan

Well, uh, all people - all, I think all human beings, uh, have good attributes, and they also have their flaws.

~Scott McClellan

I still like and admire George W. Bush. I consider him a fundamentally decent person, and I do not believe he or his White House deliberately or consciously sought to deceive the American people.

~Scott McClellan

We are disappointed at the decision. The president remains fully committed to building a culture of life ... that is built on valuing life at all

stages.

~Scott McClellan

I remember my mom saying to me that what your friends do is one thing, but what you do could be on the front page of the paper.
