Get the best people and train them well.

~Scott McNealy

You already have zero privacy - get over it.

~Scott McNealy

The best decision is the right decision. The next best decision is the wrong decision. The worst decision is no decision.

~Scott McNealy

Technology has the shelf life of a banana.

~Scott McNealy

Microsoft is now talking about the digital nervous system... I guess I would be nervous if my system was built on their technology too.

~Scott McNealy

If everyone thinks you're doing the right thing, then everyone would be doing it. Have a controversial strategy.

~Scott McNealy

Yes, we have a dress code. You have to dress.

~Scott McNealy

Only a monopolist could study a business and ruin it by giving away products.

~Scott McNealy

Without choice, you have no innovation. Without innovation, you have nothing.

~Scott McNealy

The only thing I'd rather own than Windows is English. Then I'd be able to charge you an upgrade fee every time I add new letters like N and T.

~Scott McNealy

Putting Windows [3.11] on top of DOS is like putting whipped cream on a road apple [horse poop].

~Scott McNealy

We think computing ought to be like a telephone or a water tap or a light switch.

~Scott McNealy

In a world without fences, who needs Gates?

~Scott McNealy

Who cares who's captain after the wings have fallen off.

~Scott McNealy

This is a big deal. It's a fairly natural partnership; it shouldn't surprise people, ... We're working on bringing this network-is-the-computer, Net services environment.

~Scott McNealy

If I could embed a locator chip in my child right now, I know I would do that. Some people call that Big Brother; I call it being a father.

~Scott McNealy

I can't figure the stock market out. I think it's wacky. I have done well with a long-term strategy and will continue being a long-term investor.

~Scott McNealy

When Steve Ballmer calls me wacko, I consider that a compliment.
