I love my country more than anything. I spent 12 years in the United States Marine Corps. I know what it means to defend this country.

~Scott Ritter

I can train a monkey to wave an American flag. That does not make the monkey patriotic.

~Scott Ritter

My goal in Baghdad was to facilitate a debate here in the United States on America's policy toward Iraq, a debate that's been sadly lacking.

~Scott Ritter

That we have collectively failed to halt and repudiate the war in Iraq makes us even worse than the Germans.

~Scott Ritter

We say that we care about the war, but we don't even really know what we're fighting for.

~Scott Ritter

I haven't exaggerated anything, I've stuck to the facts.

~Scott Ritter

I don't disagree with anything I've ever said. Why in God's name would I disagree with something I've said?

~Scott Ritter

I was right about one of the most significant issues in modern American history. I was the only one who was right about one of the most significant issues in modern American history.

~Scott Ritter

It is hard as an American to support the failure of American military operations in Iraq. Such failure will bring with it the death and wounding

of many American service members, and many more Iraqis.

~Scott Ritter

Sanctions aren't about weapons of mass destruction. People need to understand that.

~Scott Ritter

I can generate attention quickly.

~Scott Ritter

If you want to play the game of truth, I'll tell the truth, and the truth will burn.

~Scott Ritter

I'm someone who believes the truth needs to be heard. And if I'm empowered with the truth, I'm not going to shut up.

~Scott Ritter

War is not some sort of Nintendo video game.

~Scott Ritter

If people don't like the history, I'm sorry.

~Scott Ritter

One, if you attack my integrity, I will defend myself. If you attack my patriotism, I will defend myself. If you come after my family, I will counter-attack viciously, I will destroy you.

~Scott Ritter

I didn't promote war when I was a weapons inspector.

~Scott Ritter

Iraq has not been disarmed 100 percent [but] in terms of what they [Iraqis] have accomplished there are no meaningful weapons or

weapons production capability in Iraq today.

~Scott Ritter

It has been estimated that 80 percent of the oil illegally smuggled out of Iraq under oil for food ended up in the United States.

~Scott Ritter

There has been no case made - based on anything other than speculation - that Iraq poses a threat.

~Scott Ritter

The Iraqi people are some of the warmest people you'll meet in your life. They are extremely receptive to strangers. Their hospitality is immense.

~Scott Ritter

The only way an Iraqi biological agent would kill you is if it landed on your head.

~Scott Ritter

The U.S. has perverted the U.N. weapons process by using it as a tool to justify military actions, falsely so. ... The U.S. was using the inspection process as a trigger for war.

~Scott Ritter

The United States is the laughingstock of the world.

~Scott Ritter

Iraq has a tremendous amount of history.

~Scott Ritter

I'd like to think that the best bunker buster is a diplomat.

~Scott Ritter

We are the ones responsible to determine whether the war that our marines, soldiers and airmen are fighting in is worth the cause.

~Scott Ritter

History will eventually depict as legitimate the efforts of the Iraqi resistance to destabilise and defeat the American occupation forces and their imposed Iraqi collaborationist government.
