*People, Thinking, Country, Believe, Children, President, Want, Media, Party,  
Jobs, Years, Fighting, Mean, America, Giving, Government, Issues, Way, Real,  
Father*

Halloween is a liberal holiday because we're teaching our children to beg for something for free. We're teaching kids to knock on other people's doors and ask for a handout.

~Sean Hannity

Is the president purposefully using propaganda and hyperbole to garner the American public for support?

~Sean Hannity

Here you are, you're a liberal, probably define peace as the absence of conflict. I define peace as the ability to defend yourself and blow your enemies into smithereens.

~Sean Hannity

If someone's not attacking you that means you're not doing your job effectively.

~Sean Hannity

I have liberal friends. They are misguided, they are wrong. I disagree with them. I don't want them to vote. I want them to go on vacation in November.

~Sean Hannity

The U.S. is the greatest, best country God has ever given man on the face of the earth.

~Sean Hannity

The only thing I believe is individual responsibility doesn't mean the government is the answer to ever fear and every problem every individual has. We are the masters of our own destiny.

~Sean Hannity

I am a total loser, in every aspect of my life. I rarely go out.

~Sean Hannity

It doesn't say anywhere in the Constitution this idea of the separation of church and state.

~Sean Hannity

I never got a job from a poor person.

~Sean Hannity

I think there's definitely billions and billions in waste, fraud and abuse. There's billions that can be generated in the economy by eliminating the bureaucracy.

~Sean Hannity

I don't see any violence at Trump rallies.

~Sean Hannity

Ohio does have an energy industry, but we're diversified. We're one of the fastest growing states in the country. We came back from the dead.

~Sean Hannity

Bill Clinton was doing Ku Klux Klan grand kleagel jokes at Byrd's funeral, saying, Oh, Robert C. Byrd, he used the - he was the grand kleagel. He just did what he had to do.

~Sean Hannity

I was born to argue... I don't know why. I mean, from arguing with my teachers and, on occasions, my parents. I think I've mastered the art of argument at a fairly young age.

~Sean Hannity

Hypnosis I believe is real. The only problem I guess I have is that, you know, if God or somebody who passed on in my life wanted to talk to me, why wouldn't they come directly to me?

~Sean Hannity

I'm not impressed by people's degrees. Harvard doesn't impress me, Yale doesn't impress me, Columbia doesn't impress me.

~Sean Hannity

I don't think we should proselytize a particular religion.

~Sean Hannity

I am a total loser, in every aspect of my life. I rarely go out. I have a great family and we spend all our time together. I work hard and play hard with them.

~Sean Hannity

I don't think anyone here supports the legislation. But I'd like to hear you at least say that you don't support spanking by any parent, because you choose not to do it. You must think it's wrong.

~Sean Hannity

Donald Trump needs to understand the Republican establishment - they're not going to be his friend, either.

~Sean Hannity

I like guts in my leaders.

~Sean Hannity

President Obama will not be able to contain himself, and he will go after Mr. Trump every single chance he gets once Obama is out of office.

~Sean Hannity

Why should one U.S. airman give up his life when our national security is not in imminent danger?

~Sean Hannity

Governor, why wouldn't anyone want to say the Pledge of Allegiance, unless they detested their own country or were ignorant of its

greatness?

~Sean Hannity

The Democrats, because they believe in socialism, redistribution, forced the banks and financial institutions to make the risky loans.

~Sean Hannity

Slave holding is very unusual among the English-speaking peoples. Canadians didn't do it. Australians didn't do it. The Democratic Party and the states they controlled did it!

~Sean Hannity

Can we pray for the reelection of George Bush?

~Sean Hannity

So the mayor of New Orleans would have used his own buses had the people had been white?

~Sean Hannity

I believe in privacy, I believe that people especially when it comes to private emails, personal emails, et cetera, I think people have a right to that privacy.

~Sean Hannity

Barbara Comstock is a solid and reliable conservative. I've known her for many years. She'd make a great member of Congress. I am happy to join other conservatives and proudly endorse her candidacy.

~Sean Hannity

I'm at peace with myself because what I talk about is the way I live.

~Sean Hannity

The president has said Republicans want dirty air and dirty water.

~Sean Hannity

My life has been a gift up to this point, and I've been blessed beyond my wildest imagination. And wherever this ride takes me is where I'm going.

~Sean Hannity

I believe in faith, family and country. I really keep it that simple.

~Sean Hannity

And the other issue is Gore, \$4.6 trillion - the single largest expansion of government in American history, from universal preschool, now, to prescriptions to health care - it is Socialism 101.

~Sean Hannity

One of the best lessons I learned early is that not everything in life is about you. It is about service. If you want trips and excessive gifts, then don't get into public service.

~Sean Hannity

With guests who are 'in the middle of the fight,' we're able to hear their point-of-view on the topics, as well as advance our own feelings.

~Sean Hannity

I think there are other alternatives there than hitting a child, striking the child.

~Sean Hannity

It's hard to imagine that there are people in the country that have types of hateful, inexcusable, racist, white supremacist views.

~Sean Hannity

I think anybody that gives their opinion in a confident way everyday is going to be criticized.

~Sean Hannity

There have always been people during periods of history that thought that we could get along with the enemy if only we would reach out. Peace in our time is a philosophy.

~Sean Hannity

If you look at [Donald] Trump's attacks on Jeb Bush, they've been pretty devastating.

~Sean Hannity

I know my whole life has been like that, you know, scrappy, fighting for everything you get in life and you appreciate it more.

~Sean Hannity

Whatever you dream is you find a way to get there, even if you're not paid a lot. Do it for the love of what you do.

~Sean Hannity

The Democratic Party is the - was the largest and most powerful institution supporting slavery in the English-speaking world. And it is the only one that has survived to the 21st century!

~Sean Hannity

I don't want to send my money to a bunch of Hugo Chavez-loving, Ivy League ideologically educated, politically opportunistic careerist in Washington, D.C.

~Sean Hannity

Journalism in America is dead. I've been saying it on the air since 2008.

~Sean Hannity

My father used to take off his belt and give me a crack. And I'm all right.

~Sean Hannity

You can play golf with liberals, be neighbors with them, go out to dinner. I just don't want them in power.

~Sean Hannity

We do have more control over our lives than any politician.

~Sean Hannity

I lived in Alabama and Georgia, and the people in the south are wonderful. It's God, faith, family, country.

~Sean Hannity

Explain to the mothers and fathers of American servicemen that may come home in body bags why their son or daughter have to give up their life?

~Sean Hannity

I'm a Christian. I was born and raised a Catholic. But I think there are people that are frauds that are ministers.

~Sean Hannity

I worry about the future of this country for our kids and grandkids and America not being on the world stage and that vacuum being filled by the likes of Vladimir Putin.

~Sean Hannity

[The Democratic Party]it's a party with an incredible century-and-a-half history of institutional racism.

~Sean Hannity

Democrats, overpaid celebrities, the mainstream media that are so lazy, they are willing to endanger your lives, gamble with your life to try and score cheap political points!

~Sean Hannity

Obama's rhetorical overtures to democracy, it turned out, were just a decoy to conceal his unwavering determination to govern from the far left.

~Sean Hannity

It is one of the worse things you can say about somebody, they are racist.

~Sean Hannity

I really don't map out my life. There's no big plan.

~Sean Hannity

I'm a registered conservative.

~Sean Hannity

If I was in Congress, I would not vote to raise the debt ceiling.

~Sean Hannity

See what I have to put up with every night?

~Sean Hannity

Why not start over because every promise made is not kept, why not start over so the American people can debate [the health care law] again?!

~Sean Hannity

I think hypnosis is entertaining. I believe it's real.

~Sean Hannity

I said in 2008 the media is dead in America. Journalism's dead.

~Sean Hannity

I've been able to read people my entire life, because I've interviewed people now for 20-some-odd years. So you can read people that way.

~Sean Hannity

In 1996, a Republican governor in South Carolina tried to take the flag down. He was voted out.

~Sean Hannity

Hillary Clinton is apparently very happy about [Barack] Obama clamping down on your 2nd Amendment rights.

~Sean Hannity

What I'm saying is that until somebody steps up and actually has a forceful attack on Donald Trump and actually takes him down a notch, Donald Trump is just going to keep plowing through.

~Sean Hannity

I'm from California, I know what's up with this. You keep raising people's taxes eventually they are going to say no.

~Sean Hannity

My brother wasn't loved by my mother in the same way that I was.

~Sean Hannity

Everyone knows Bob Beckel views, radical left wing, socialist. He says he's a Democrat. But what may surprise you is that he actually has a conservative brother.

~Sean Hannity

I have two kids, and I don't have to spank my kids.

~Sean Hannity

It's the same as saying, you know, "I'll smoke, but that's up to me." Doctors don't recommend it. I don't recommend smoking. It's a bad idea. Smoking or spanking. Bad ideas.

~Sean Hannity

I think that the new models of Chevrolet should have Barney Frank as a hood ornament.

~Sean Hannity

When I started in radio, I worked for free. I lived at the radio station. Then I worked for very little money.

~Sean Hannity

I think it's unworkable. What are we going to have, people like in contentious divorces suddenly claiming that one or the other of them should go to jail because once he or she spanked the child.

~Sean Hannity

I am very disciplined in my life and very up front. It is the only way I can do it and do it well. I am up every day at 7, and I feed my kids, no matter how long the day was.

~Sean Hannity

Historically in every recovery, because the president rightly did inherit a recession. But historically, the lagging indicator always deals with employment.

~Sean Hannity

I have never seen any such quote anyplace, anywhere.

~Sean Hannity

I'm all in favor of the president tweeting.

~Sean Hannity

You can be a good person without any racial intent and still want to keep the flag. That's what I learned in my time in the south.

~Sean Hannity

I wasn't on the board of Lehman Brothers. I was a banker, and I was

proud of it and I traveled the country and learned how people make jobs.

~Sean Hannity

We have a situation where we have a lawmaker here in California who says that if you spank the child, you spank them, you're going to go to jail for a year or you're going to pay a \$1,000 fine.

~Sean Hannity

I think my father would give me the Department of the Interior because of my love of the outdoors, so we can get that going.

~Sean Hannity
