Best, Crazy, Fields, Squash, Running, Saving Money, Pay, Giving, Events,
Quality, Motivational*

I have bought pole vault equipment, the landing areas, posts, which costs a lot of money. We pay for coaches

~Sergei Bubka

First do it, then say it.

~Sergei Bubka

I think that, generally, you need to live with your sport 24 hours a day.

~Sergei Bubka

I have spoken with many former athletes, and they tell me the best time they had was in sports. I listen to them and use their experience in my career.

~Sergei Bubka

The pole vault is a very complicated event, there are many things involved.

~Sergei Bubka

People come from around the world and can understand each other without even speaking the same languages!

~Sergei Bubka

Even now, I want to keep my amateur spirit, to spend my time, to be in the sport with all my heart.

~Sergei Bubka

Often you need to take some risk, but it must be a realistic risk, you can't take a crazy risk.

~Sergei Bubka

The Olympics are always a special competition. It is very difficult to predict what will happen.

~Sergei Bubka

I decided to create a sports club during the Soviet times. It was my dream.

~Sergei Bubka

I am alone, some people help me, but, basically, I can do what I want.

~Sergei Bubka

You need to work very hard, you have to spend a lot of time practicing your sport - six to seven hours daily.

~Sergei Bubka

And, of course, method is very important as is a high-quality specialist (trainer) working with you to keep you going in the right direction for your improvement and to help create results.

~Sergei Bubka

My policy was just to give good things for sports in my region.

~Sergei Bubka

I think that focusing on the money, on the business, is not enough.

~Sergei Bubka

I began with track and field because this is what I know.

~Sergei Bubka
