Doing good holds the power to transform us on the inside, and then ripple out in ever-expanding circles that positively impact the world at large.

~Shari Arison

Sustainability is the key to our survival on this planet and will also determine success on all levels.

~Shari Arison

Think good, speak good and do good, to bring about positive change in the world.

~Shari Arison

Every person - with his or her own skills, abilities and uniqueness - can contribute to others and bring great joy to those that fortune has not smiled upon.

~Shari Arison

Doing good business - being ethical, being transparent, being caring, implementing values in your business - makes a difference, and you make money at the same time.

~Shari Arison

In everything I do, whether in business, philanthropy or my personal life, I am guided by my inner truth, my values.

~Shari Arison

People look at me as spiritual... but I am also very logical, very business-minded. The two come together.

~Shari Arison

Change is not in the hands of government, not in the hands of a leader or guru, and not in the hands of the powerful or wealthy. It is in our hands: the hands of each and every one of us.

~Shari Arison

Hopefully I'm a role model for positive change for everyone - not just women. It's very important to find balance between men and women.

~Shari Arison

I have always wanted to be a catalyst for bringing about positive change, inspiring others to choose goodness.

~Shari Arison

Matters of the heart are important to me. All this materialism and all the money and wealth are things that you don't take to the grave. One day you have it. The next day you don't.

~Shari Arison

In my new book, 'Birth,' my goal is to share the path I have traveled in the spiritual sphere and in the business and philanthropic sphere in order to reveal the essential connection between the two.

~Shari Arison

The Ahmadinejads of the world, the bin Ladens of the world, will not change their ways, regardless of how hard we try to explain to them that peace begins with them.

~Shari Arison

Once you realize that everything happens for a reason, attitudes towards matters such as illnesses, or lawsuits, for example, change.

~Shari Arison

Even a smile is a good deed.
