I really hope that when someone puts my record on that they hear me.

~Sharon Van Etten

Don't ever feel inhibited. It's harder to censor yourself than to just be yourself.

~Sharon Van Etten

Life is too short to surround yourself with people who aren't looking out for you.

~Sharon Van Etten

I have this red cardigan that my friend Coco gave me that has holes for thumbs. It's my cozy sweater. I wear it a lot.

~Sharon Van Etten

My mom used to ask me when I was gonna write a happy song. I still tell her that it's when I start to write really happy-sounding songs that everyone needs to start worrying.

~Sharon Van Etten

Everything will be okay. I have a sticker on my laptop that says that.

~Sharon Van Etten

I'm excited to go study and read and immerse myself in something.

~Sharon Van Etten

I guess I usually write when I'm in a really intense headspace, because it's my form of self-therapy.

~Sharon Van Etten

I'm really out of touch with myself emotionally. I've always had a hard time talking about how I feel.

~Sharon Van Etten

I grew up going to musicals with my mom here in New York, going to Broadway. I used to be in musicals in high school.

~Sharon Van Etten

I did jazz dance for a few years.

~Sharon Van Etten

I don't want to bury anything in poetry.

~Sharon Van Etten

Im trying to learn how to cook.

~Sharon Van Etten

You're the reason why I'll move to the city; you're why I'll need to leave.

~Sharon Van Etten

Saw Torres play their first New York show tonight at Cake Shop. SO good. Do yourself a favor and check out her record. Her voice is KILLER.

~Sharon Van Etten

Honestly, live is my favorite way of performing. Every show is a completely different energy.

~Sharon Van Etten

I try to focus on the melodies and try to make everything else minimal. The melody and the lyrics are most important to me.

~Sharon Van Etten

I hate putting negative energy out into the world. But it's either inside or out. I mean, it's either get an ulcer or have a fight.

~Sharon Van Etten

I'm getting bored performing the same songs over and over.

Songwriting comes and goes.

~Sharon Van Etten

If you work on anything long enough hopefully you'll get better and I feel like we're just growing.

~Sharon Van Etten
